

CMST Assessment Plan and Report SLOAC Review Comments

Thanks for filing an assessment plan and report with the SLOAC. We have the following comments for you to consider:

Plan

1. Not clear which rubrics went with which outcomes and artifacts.
2. We suggest using a smaller range, perhaps 1-3 or 1-5 instead of 1-10. The rubrics could be more specific.

Report

1. The reported responses for SLO3 and SLO6 did not match the outcome.

We don't need to see anything more from you this year. Your next report will be due October 31, 2007. We encourage you to revise your plan in the ways identified prior to gathering data. We're happy to provide assistance as needed and would like to review any new plan before you gather data.

Grant applications are due Jan. 31, 2007. The form is available at www.mnstate.edu/assess.

If you have questions at any time, please contact Tim Borchers at borchers@mnstate.edu.

Thanks!
