SLOAC Review Comments**

Thanks for filing an assessment plan and rubrics with the SLOAC. We have the following comments for you to consider:

- Need to link Student Learning Outcomes (SLO) to the assessment rubrics. In some cases they do not match or no assessment measure is listed.
- Inter-rater reliability is questionable on the evaluation forms. Scale 1-5 is not clearly listed as to what it means. Suggest the numbers be replaced with descriptive terms.
- Suggest the Exit Interview Questions be tied to SLOs more clearly.
- Unclear how assessment of teaching in ENGL 697 will be measured.
- A sample rubric is provided to give a better sense of what the committee is trying to get.

Your first report will be due October 31, 2007. The forms will be slightly revised and we'll communicate to you about the forms.

If you have questions at any time, please contact Tim Borchers at borchers@mnstate.edu.

Thanks!
