

## **Counseling and Student Affairs SLOAC Review Comments**

Thanks for filing an assessment plan with the SLOAC. We have the following comments for you to consider:

1. On SLO A, you have a good set of exams and clear expectations. One question: What happens to students who fail the CPCE? Why is no minimum required?
2. On SLO B:
  - Please provide the rubric you'll use for assessing their proficiency;
  - Which comprehensive examination is used to assess their skills?
  - Clearly define what you expect to find in terms of their skills.
3. On SLO C:
  - Provide the rubric you'll use to assess student work.
  - Clearly state what you'll expect to find.

Please file your plan again with the requested documents. As you work on the rubrics you use, please keep in mind observations about interrater reliability, as contained in the current Guide to Assessment.

If you have questions at any time, please contact Tim Borchers at [borchers@mnstate.edu](mailto:borchers@mnstate.edu).

Thanks!
