

## **SLOAC Review Comments**

Following a discussion by the SLOAC, the following items were communicated to the department in face-to-face meetings.

### **Physics Plan**

- 1) Clarify the scoring Rubric for Senior Project Grade;
- 2) Match Student Learning Outcome (SLO) title with rubric title;
- 3) Clarify which aspect of the rubric is being used for each SLO;
- 4) Clarify which rubric applies to the Student Academic Conference;
- 5) Clarify Student Learning Outcomes assessment cycle – discrepancy between plan and department minutes.

### **Physics Report**

1. Report is based on the revised plan approved earlier this semester;
2. Report reflects steps already taken to improve student assessment;
3. Rubrics used were revised based on SLOAC suggestions;
4. Suggest that acronyms be explained;
5. Suggest a clearer explanation of ETS scores be made.
