- NOTES:**
- 1) Caution about the use of data for a program is advisable when the number of graduates is low or the number of "Status Unknown" exceeds 15% of the total graduates.
  - 2) Graduates or individuals who know the graduates provided this information, including relatedness of employment to program of study.
  - 3) "Related Employment Part-time" includes graduates who reported related employment but did not indicate the number of hours worked per week.
  - 4) "Unavailability for Employment" includes graduates who chose not to seek work, were unable to work, or were international students who returned to their homelands.
  - 5) "Status Unknown" includes graduates who could not be located or did not respond to requests for information.
  - 6) Categories of employment can include some graduates who also reported continuing education but indicated that employment was their preferred classification.
  - 7) "Continuing Education" can include some graduates who also reported employment but indicated that continuing education was their preferred classification.
  - 8) Information on graduates who both worked and pursued further education is available in supplemental materials.
  - 9) Sums of percentages might not equal total percentages due to rounding.
  - 10) N/A ("Not Applicable") is displayed in the "Percent of Available" row when there are no graduates available.
