*College of Education & Human Services*

*Proposed:* based on discussions at All-College meeting

Strategic Direction 1: Maintain and expand **partnerships** with community and regional partners

- Goal 1.1 Establish a resource center in which our programs will provide multiple, integrated services to the community
- Goal 1.2 Provide multiple diverse experiences (cultural, linguistic, electronic, socioeconomic, etc.) for all students
- Goal 1.3 Recognize and reward and/or provide incentive for preceptors and cooperating teachers in the field
- Goal 1.4 Find ways to establish reciprocal relationships with our partners so we are responsive to their needs as well as our own.
- Goal 1.5 Establish an interdisciplinary advisory group.
