A. Technology Resources Dedicated to Supporting Student Learning	Current
INFORMATION TECHNOLOGY OFFICE	
See website at http://www.mnstate.edu/it/	
Areas on campus where students are able to use computers (however, some of them are within departments and are not available to all students)	49
Computer labs with Macintosh and Windows computers open 24 hours per day 7 days per week while we are in session	3
Wireless access points in academic buildings (wireless is restricted to enrolled students and employees)	70
Computers available in the Student Union for general student use	20
Have student assistants (help desk) in the major lab areas	
All residence halls have wired or wireless network access, one hall has wired and the other five have wireless. Service to the residence halls is provided by external vendors.	
Over 70% of our classrooms are equipped with projection equipment, network access and computers or laptop connections	70%
Provide e-mail accounts for all students and employees	
Provide server access for our students to create their own webs
