

International Listserv

Minnesota State University Moorhead
International Programs Office, Flora Frick 153 (218)477-2956
Updated September 2008

The International listserv is a way to keep our international student population informed. All international students will be subscribed to the listserv upon arrival to MSUM. This allows international students to stay informed on important issues. Information provided includes office schedules, special events, International Student Organization activities, U.S. government regulatory changes, and other news items of concern to the international population at MSUM.

Commands for the ISO listserv are:
