Academic Conference

International Education Week – Sodexo, Speakers, Presentation, Organizations, etc.

ISO Board Members

Other Organization Board Members

Nepali Night

Other Events on Campus or off Campus (may need to be preapproved)

Tutoring in Departments

Prof. Paul Kramer - 4022, Political Science, International Studies, Legal Studies

Prof. Wayne Chen - 2846, Math Department

Psychology Department – Magda Chalikia or Karen Gaard - 2802

Raja Siddique – English Language Tutoring

*** Interviews are required (may carry hours forward to next semester)

Don Anderson – Building Services variety of duties and football games and set up

Dragon Move In Days Description: You will be asked to help out the new incoming students to move into their dorm rooms. You can work 1 hour up to 5 hours that day. You must fill out the attached forms and have one of the move in crew supervisors sign the cultural contribution hours form after your day is done. You can then turn the form in to me or wait until you have all ten hours completed before submitting the form.

Dragons After Dark - Students interested in volunteering can contact either Braden - 5814, Kayla - CMU or Veronica-2777 if they are interested in volunteering.

Spanish Speaking Student - Hi! I would like to invite the Spanish speaking students. They could do any of those activities you mentioned. We can always use an extra pair of hands with our young Spanish learning students. They can go to the Moorhead Public School website and look at the Spanish Immersion Program and see

what they would like to do. In the past we have done art projects, cooking or games. They could come and practice reading with some of the children. The kids enjoy the college students' visit. Thanks! Helga

Filming Women's Soccer Games -

If you could put a call out for two individuals that would be great! If they have some experience, that's preferred, however, we will train - it's just a small cam-corder. We have the equipment, so they just have to show up and video-tape. I have attached our schedule - the home games are in bold starting with the Sept.12th game.

Pangaea - Cultivate our Cultures

Historical and Cultural Society of Clay County

November 14, 2009

Celebrate our community's traditions and cultures with this local multi-ethnic showcase of music, dance, culinary arts, and children's activities. Handmade items and ethnic foods are available for sale.

Through the years, the event has grown to such a success it was moved to a new venue in 2006, the Heritage Hjemkomst Interpretive Center in Moorhead and a partnership naturally fell into place. The event was renamed:

Pangaea —

Cultivate Our Cultures in 2006. The name is reflective of the super continent that once existed on the earth before it split off into the seven continents we have today, forever creating geographic barriers to cultural understanding.

Past Pangaea—Cultivate Our Cultures was held on November 15, 2008 from 10:00 a.m. to 4:00 p.m. at the Hjemkomst Heritage Interpretive Center in Moorhead, MN. Over 1000 people attended this event. Attractions such as traditional cultural performances, traditional foods and an international bazaar have continued to be the main draw of the event. This year a children's "Parade of Nations", children's activities and a cultural fashion show were added to bring a new flavor to the event.

By September 30th

Event Date November 14th from 10:00 – 5:00

Contact Persons for Food – Tim Jorganson 218-299-5511 ext 223

Contact for Other Opportunities – Marcus Krueger 218-299-5511 ext 224

(\$125.00 voucher for food. No money or profit will be made from event. The \$125 is for the food you will prepare and they are going to be given out free of charge. If you go over this amount it is your responsibility.)

Hi Janet-

Yes, I can be your contact for this project. Have you been to our website yet? If not, it is www.myfirstlink.org, and then click on: Search for a Volunteer Opportunity. The students could search in there to see if anything grabbed their interest. I could also send you our weekly You are Needed listing that we run in the Forum as well as send to businesses and other groups. Let me know if you would like to receive this and I can add you to the list. The students can also call us at any time for assistance. I could print you a list, but the opportunities are often changing so it may be better for them to either search, or call us. Let me know if you have any other questions. Thanks and have a great day!

Sara
