2. Itasca Trip

Roxanne was able to raise all the money needed for this trip and Eric Josephson was able to get a further \$150 from the RHA (Resident Hall Council) for this trip. Therefore, the trip is free for everyone and is planned for the May 1st weekend. They can accommodate 20 people and you can sign-up at the International Programs office.

3. Ideas for next year

Max and Anas talked about possible projects for next year for the club to get recognition and get involved with the campus community. The ISC could host a presentation series about each country. A student from that country can talk about its economy, social system, education, politics, current problems etc.

Everyone will get to hear that person's viewpoint and will get to compare with the general viewpoint of the global community. This can be a great opportunity to get the word out about the ISC and also display your opinions about world issues.

4. Muslim Students Association (MSA) elections

Elections will be held in CMU 214 on Monday 19th, April at 6PM

5. Anyone who is interested in attending a meeting which discusses social issues can contact Anas. This is a group of PhD students at NDSU and they meet every Tuesday at 5:45PM. Please contact Anas about further details.
