Dragon Core requirements include successful completion of 5 Writing Intensive (W-I) courses for graduation for MSUM students. Transfer students need to meet one W-I course in their major. The MSUM Nursing Department developed Nursing 430 Nursing Research as a W-I course effective Fall 2007 to assist students in meeting this requirement. Students are encouraged to work with their academic advisor to assure successful completion of this graduation requirement.

Approved by Department of Nursing Faculty 10/18/2005; Updated 07/06/2007.
