Telecommunication Engineering Technology Information Systems Emphasis	AAS

Recommended Dragon Core (general education) transfer courses that can be taken at Minnesota State Community and Technical College and applied to the OM 2+2 degree requirements

Chem 1100	Fundamental Concepts Chemistry
Econ 2252	Microeconomics
Engl 1101	College Writing I
Math 1114	College Algebra
Math 1213	Intro to Statistics

- ❖ **Students who have completed a diploma program should request approval for an additional 30 technical credits. If approved, the 30 credits will meet elective requirements of the Operations Management major. Students will complete remaining general studies (Dragon Core) requirements and the Operations Management core to attain a major in Operations Management. Any Minnesota Transfer Curriculum (MnTC) course credits completed as a part of the diploma program will apply to MSUM's Dragon Core requirement.**
