

BACHELOR OF SCIENCE DEGREE

MINNESOTA STATE UNIVERSITY, MOORHEAD

Minnesota's **ONLY** accredited **2+2** technical management degree

National Association of Industrial Technology (NAIT) Accredited

MSUM's Operations Management Bachelor of Science Degree prepares individuals with a technical knowledge base for a career managing people or processes. The program focuses on taking a technical professional and teaching them how to lead in their technical environment. It teaches them how to interpret financial statements, use technology to make business decisions, manage projects, create work environment efficiencies, and lead people. The Operations Management Program's key feature is its diversity. It is a great fit for multiple program areas, including manufacturing, robotics, wholesale, technical sales, computer network specialists, computer technicians, medical office careers, medical technical careers, health professionals (EMT), and transportation careers. The Operations Management degree prepares technical and/or technical management-oriented professionals for employment in business, industry, education, and government.
