

# American Society of Biochemistry and Molecular Biology UAN and American Chemical Society 2007 Regional Meeting

**What:** *Biochemistry & Molecular Biology and American Chemical Society Undergraduate Research Meeting*

**Where:** *Minnesota State University Moorhead*

**When:** *October 26 and 27 2007*

**WELCOME** The American Society for Biochemistry and Molecular Biology, American Chemical Society, and North Dakota INBRE cordially invite you to attend the **2007 ASBMB & ACS Undergraduate Meeting**. This is a small, informal meeting to provide a forum for undergraduate research students and their mentors to present their research and research-based teaching materials and student works in progress.

ALL DISCIPLINES are welcome.

**RESEARCH FEATURE** At the Friday dinner, the meeting will highlight a research talk by Forensic Chemist, Holly Long, Mn Bureau of Criminal Apprehension Forensic Science Laboratory "The World of Forensics: From the Field to the Lab".

**INDUSTRY FEATURES** Both Friday and Saturday will have talks about careers in sciences in the region. At the Saturday luncheon, the featured speaker will be an industry leader who will talk about discovery, development, manufacturing and marketing of innovative protein and cell based therapies.

**CALL FOR POSTERS AND ORAL PRESENTATIONS** Anyone interested in participating is invited to submit an abstract for their poster presentation. We welcome any life science, chemistry or science education posters. Those who wish to present their work as research in progress or even planned research for the year are also encouraged to attend.
