## POET DAVID MASON RETURNS FOR READING, GLASRUD LECTURE HERE APRIL 4

Poet David Mason, the prize-winning author of "The Country I Remember" and "Buried Houses," will read from his work at 8 p.m. Thursday, April 4 in MSUM's Center for Business 109 as a feature of the Tom McGrath Visiting Writers Series.

He'll also present the university's annual Glasrud Lecture, on "Dakota Is Everywhere: Travel and

Poetry," at 4 p.m. that day, also in Center for Business 109.

Mason, who taught at MSUM from 1989 to 1998, now teaches at Colorado College. His poetry collection "The Country I Remember" won the Poetry Society of America's Alice Fay di Castagnola Award and "Buried Houses" the Nicholas Roerich Poetry Prize.

He recently published a collection of essays, "The Poetry of Life," and is the co-editor of the anthology "Rebel Angels: 25 poets of the New Formalism" and the fourth edition of the classic textbook "Western Wind: An Introduction to Poetry."

Mason won the 1994 Carnegie Foundation Minnesota Professor of the Year Award during his tenure at MSUM, along with a Fulbright Award in 1996 to participate in an educational exchange between the U.S. and Greece.

The Glasrud Lecture, an annual series, honors Clarence "Soc" Glasrud, a Detroit Lakes native who taught in a country school before enrolling at MSUM in 1930 and graduating in 1934. Following a stint in the Army Air Corps during World War II, Glasrud earned both a master's degree and doctorate at Harvard University. He returned to his alma mater in 1947 to teach, eventually serving 23 years as chair of MSU's English department. He retired in 1977.

Glasrud has since written two comprehensive histories of the university: "The Moorhead Normal School" and "Moorhead State Teachers College." He's now working on the final chapter of the university's history.

## **FISCAL ANALYST KEYNOTES MSUM'S STUDENT ACADEMIC CONFERENCE**

The purpose of the all-day event is to showcase the work and talent of MSUM students through presentations, posters, and creative works. More than 230 students will present research on 151 topics from 1 to 2:20 p.m. and 2:30 3:50 p.m. in the university’s student union.

## **JACKSON, PENN WARREN FOCUS OF CZYNSKI'S HUMANITIES, MULTICULTURAL STUDIES LECTURE**

Konrad Czynski, a professor and chair of Humanities and Multicultural Studies at Minnesota State University Moorhead, will present a lecture on “William Henry Jackson and Robert Penn Warren: Time-Travellers in Life and Imagination – Autobiography and

Epic Poetry,” at 4 p.m. Tuesday, April 9. in the Center for Business 109.

It's a feature of the university's College of Arts and Humanities Faculty Colloquium Series, which provides a forum for learning about the research interests and accomplishments of Arts and Humanities faculty.

Czynski's talk will take a dual focus: primarily, on Jackson's autobiographical narrative, "Time Exposure" (1940), and, secondarily, on Penn Warren's modern epic poem, "Chief Joseph of the Nez Perce" (1982-83). Jackson's work highlights his exceptionally long life – 1843-1942 – as a Civil War soldier, journeyer West, painter, and photographer, while Penn Warren's poem presents the life of the eminent Native American leader, focusing on the Nez Perce War of 1877, and concluding with the poet's own journey into the poem.

Czynski, at MSUM since 1991, studied literature and language in France and Japan for his master's and Ph. D. degrees from Columbia University in New York City. He writes and speaks frequently on a breadth of topics, most recently on the American landscape in 19th- and 20th century painting, literature, and photography. Since 1981, he has also been a narrator for the series, "Stories in Music," at the Kennedy Center in Washington, D.C., including musical performances such as "The Sorcerer's Apprentice," "Casey at the Bat," and "The Story of William Tell."

The hierarchical structure also makes it easier for students to find specific course content. A Table of Contents can be created using headings and subheadings. Content can then be provided within this hierarchy by adding files of content. These files appear as hyperlinks in the Table of Contents, allowing for easy access. When a student clicks on a hyperlink, WebCT\* displays the content pages that you have created.

##### THIRD ANNUAL POKER WALK FOR FITNESS SET APRIL 9

Just 30 minutes of moderate exercise per day, (like  
walking), can: cut your risk of heart disease by  
30%; reduce your risk of hypertension, diabetes  
and colon cancer by 30%; reduce body fat by an  
average of 18%; and eliminate undue stress.

Therefore, you are encouraged to participate in the  
3rd Annual MSUM "Poker" Walk for Fitness to be  
held on Tuesday, April 9 from 8:30 a.m. to 4 p.m.

The objective is to walk to each of the seven MSUM  
departments listed in this memo, draw a card at  
each, and try to acquire the best poker hand. The  
best 5 out of 7 cards can be used... Jokers are wild!  
And, if you walk with a friend, you can draw a bonus  
card at HR (limit one card)!

Prizes will be awarded for the top three hands. Plus  
there will be a grand prize drawing for a portable  
CD Player and another drawing for a MSUM  
Sweatshirt donated by the MSUM Bookstore.

- CSIS, Bridges 160
- Economics, MC 371

to the other departments. You do not have to walk  
to all seven departments at one time, walk on your  
breaks or lunch hour. Human Resources must be  
the last department you walk to --before 4 p.m. You  
will draw your last card, and submit your best hand.  
You can also throw your name into the hat for the

grand prize drawing, to be held at the conclusion of the walk.

This is a great opportunity to become familiar with the campus and get some exercise. If you have questions, call Deb Lewis at 2158.

#### **GRADUATE PROGRAM PROFILE SERIES: COUNSELING AND STUDENT AFFAIRS**

Do you know students who want to be community counselors? How about college counselors or school counselors? Are there students you know who enjoy working with college students, say in career services, the union or student activities, financial aid, admissions, or residence halls? Then have them check out MSUM's best-kept secret, the Counseling and Student Affairs Masters program.

Most of our students previously attended MSUM and did not know we existed while they were here. We are asking you to help us to let them know we are here. We offer a small quality program with an excellent reputation in the community as well as region. All of our school counselors are hired **before** they graduate. We have had school superintendents call us and beg us for additional graduates like the one they had just hired. Our student affairs graduates have a **variety of job choices**, both in the region and all over the nation. Many of our community counselors get hired **in the area** despite extensive competition.

Our reputation is built on strong academics, highly developed counseling skills, and good writing ability. Our students have all scored above the mean on the national counselor preparation exam, which assesses what they have learned in their masters program. One year, we had the student with the highest score on this exam in the nation. For our counseling students, we have a two-year skill sequence, in which students demonstrate their skills with fellow students and then with real clients on videotape. We have had agency personnel ask some of our interns to teach skills to other interns, both doctoral and master's level, in their agency.

We pride ourselves on providing our students with one hour per week individual supervision in practicums and internships. The writing skills of our students are well developed in a highly supportive environment in which all students write a masters thesis. Our accreditation visitation team told us that we were one of the best programs they had seen.

There are over 500 counselor preparation programs and over 150 student affairs and higher education programs in the United States. Of these only 165 are accredited by the Council for the Accreditation of Counseling and Related Educational Programs (CACREP). MSUM is one of these 165 institutions.

If you have interested students or students that think they might be interested, have them visit our website at [www.mnstate.edu/cnsa/](http://www.mnstate.edu/cnsa/).

You can also have them call the faculty: Bill Packwood at 236-2044, Wes Erwin at 236-2009, or Pat Neuman at 236-2699.

Why send MSUM students anywhere else?

#### MINI STUDY ABROAD FAIR HERE APRIL 4

International Programs, along with the College of Business, is hosting a "mini" study abroad fair on April 4, from 10 a.m. to 2 p.m. in the CB's Atrium. Representatives from a number of study abroad programs will be attending NDSU's study abroad fair across the river on April 3, and have asked to come to our campus the following day. Representatives will be here from Cultural Experiences Abroad, Tempe, AZ; Arcadia University, PA (formerly Beaver College); AustraLearn, CO; and American Institute for Foreign Study, CT, in addition to MSUM's own programs, and study abroad sites cover the globe from Argentina to Australia and Spain to South Africa. Encourage your students to attend and visit with these representatives. They would also appreciate visiting with faculty.
