

**Minnesota State University Moorhead
Records Office**

GRADES FOR THE TERM

MSU Moorhead does not mail out grade reports each term. Students can view grades at anytime during the final grading period and after by logging into the ESERVICES website with Dragon ID and pin.

Once into the site, select "Grades and Transcripts" from the left menu. Then choose "Check Grades" and select the appropriate semester.

If you need an official report of your grades for a specific semester you may do so by submitting a request in writing to the Records Office, Owens Hall 104.
