Moorhead, MN 56560

The camp is designed to give quality instruction at an affordable price. Age/skill groups will be separated to meet the needs of all wrestlers. There will be an excellent camper/instructor ratio. At the end of each session there will be a designated time for the campers to ask questions on any wrestling topic (strength, nutrition, etc.). This year will also offer some time to cool down in the newly revamped MSUM swimming pool at the end of each session.
