

Minnesota State University Moorhead

Construction Management

*Start working toward your B.S. degree in Construction Management while at a
Community & Technical College*

The courses listed in below are CM program and ACCE accreditation curriculum requirements. Students should complete all courses as part of your AA degree or as electives that are listed on your schools transfer agreement. If these courses are not completed as part of your AA degree, you will have to complete them as part of your BS Degree in CM. It is preferred that the Accounting and Business courses are completed as part of the AA Degree, but those courses are also shown within the Junior & Senior level "Suggested Course Sequence" in case they were not completed.

Suggested Course Sequence
