

Minnesota State University Moorhead

PMGT 492: Project Management Capstone

A. COURSE DESCRIPTION

Credits: 3

Lecture Hours/Week: 3

Lab Hours/Week: 0

OJT Hours/Week: *.*

Prerequisites:

This course requires both of these prerequisites

PMGT 300 - Project Management and Scheduling

PMGT 400 - Agile Project Management

Corequisites: None

MnTC Goals: None

This course will assess the student's knowledge and application skills across the Project Management Curriculum at MSUM. This course synthesizes all the variables in a project including people, processes, methodologies, and tools and prepares you to take the CAPM exam. The course will emulate a real project with the execution of a live project, the analysis of an advanced project management case study or a research project.

B. COURSE EFFECTIVE DATES: 02/02/2016 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

1. Synthesizes all the variables in a project including people, processes, methodologies and tools
