

PRESIDENT WELD HAS RETURNED

REACHED CITY MONDAY MORN-
ING ON RETURN FROM
EUROPEAN TRIP.

President Frank A. Weld of the State Normal school reached the city Monday morning on his return from a two months trip to Europe. Mrs. Weld and Frank Weld stopped at the farm at Shakopee and will arrive here on Friday. Miss Hayes, Miss Dredge and Miss Freeman have gone to their respective homes for a few days, but will be on hand for the opening of the Normal on September 10.

President Weld declares that the trip was one of intense interest and that the days of his sojourn in Europe seemed all too short.
