Enrich the community through academic, athletic, arts, service, and leadership opportunities.
Preamble:

Members of the University community are expected to be familiar with the rules and procedures contained within this handbook. This publication provides general guidance and direction and is not intended to cover every conceivable situation. The information about University policies outlines the rights, responsibilities, and privileges enjoyed by the students, faculty, and staff that make up the University community. The purpose of MSUM’s policies is to promote and maintain the University learning environment, inform University members of their responsibilities, and aid in preventing violations of the rights of individuals.

Specific questions relating to policies and procedures and interpretations of specific sections within the Handbook should be directed to the University Office of Student Conduct and Resolution at (218) 477-2174 or the Dean of Students at (218) 477-2391. Because policies are subject to change, revisions that occur will be updated on the MSUM webpage and will have priority over the contents of the printed edition.

Student Rights & Responsibilities

1. Freedom to Learn
   In addition to the basic constitutional rights enjoyed by all citizens, students at colleges and universities have specific rights related to academic freedom and their status as students. Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends on appropriate opportunities and conditions in all learning environments, on the campus, and in the larger community. Students are expected to exercise their freedom with responsibility.

2. Freedom of Expression
   Individual students and student organizations shall be free to examine and to discuss all questions of interest to them and to express opinions publicly and privately. They shall be free to support causes by orderly means that do not substantially disrupt the regular and essential operation of the college or university. Students shall be free to take reasoned exception to the information or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled.

3. Freedom of Association
   Students shall be free to organize and join organizations to promote their common and lawful interests, subject to college or university policies, procedures, or regulations. Registration or recognition may be withheld or withdrawn from organizations that violate college or university policies, procedures, or regulations.

4. Student-Sponsored Forums
   Students shall have the right to assemble, to select speakers, and to discuss issues of their choice. The college or university shall establish reasonable time, place, and manner restrictions to assure that the assembly does not substantially disrupt the work of the college or university or interfere with the opportunity of other students to obtain an education or otherwise infringe upon the rights of others. Such regulations must not be used as a means of censorship. The president or designee may prohibit any forum when there is a likelihood of harm to individuals or damage to property if the event is held. Prior to any such prohibition, the president shall make his or her best effort to consult with the student association.
5. Student Publications

Student-funded publications must be free of censorship and advance approval of copy. Their editors and managers shall be free to develop their own editorial and news coverage policies. Editors, managers, and contributors of student publications shall be protected from arbitrary suspension and removal because of student, faculty, administrative, or public disapproval of editorial policy or content. The student fee allocation process must not be used as a means of editorial control of student-funded publications. All student publications must explicitly state on the editorial page that the opinions there expressed are not necessarily those of the college, university, system, or student body.

6. Student Policies

The policies, procedures, and regulations of the college or university regarding student expectations, rights, and responsibilities must be readily accessible to students.

7. Catalog and Course Information

To the extent possible, students must be provided relevant and accurate information regarding courses prior to enrollment. Catalog course descriptions and website postings must be accurate and based on information existing at the time of publication. To the extent possible, class schedules must list the names of faculty teaching the courses.

8. Student Academic Standing Information

Students shall have access to accurate information for establishing and maintaining acceptable academic standing, information which will enable students to determine their individual academic standing, and information regarding graduation requirements.

9. Academic Evaluation

Student academic performance must be evaluated solely on the basis of academic standards, including any requirements that are noted in the catalog, course syllabus, student handbook, or on the college or university website. Students must have protection against prejudiced or capricious evaluation and not be evaluated on the basis of opinions or conduct in matters unrelated to academic standards. Students must have the right to review their corrected examinations or other required assignments used by the faculty in evaluating the student’s academic performance.

10. Property Rights

Term papers, essays, projects, works of art, and similar property including property in which the student has intellectual property rights pursuant to Board Policy 3.26 must be returned to a student upon request, within a reasonable timeframe, when no longer needed for evaluation purposes, unless the student grants written permission for them to be retained.

11. Student Review and Consultation

Students must have the right to appropriate levels of participation in college and university decision-making pursuant to Board Policy 2.3 and System Procedure 2.3.1 Student Involvement in Decision-Making.

Part 2. Definitions.

Subpart A. Consensual Relationship. Consensual relationship means a sexual or romantic relationship between two persons who voluntarily enter into such a relationship. Employees who are members of the same household should also refer to Board Policy 4.10, Nepotism.

Subpart B. Discrimination. Discrimination means conduct that is directed at an individual because of his or her protected class and that subjects the individual to different treatment by agents or employees so as to interfere with or limit the ability of the individual to participate in, or benefit from, the services, activities, or privileges provided by the system or colleges and universities or otherwise adversely affects the individual’s employment or education.

As required by law, Minnesota State Colleges and Universities further defines sexual harassment as a form of sexual discrimination which is prohibited by state and federal law.

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct, and other verbal or physical conduct of a sexual nature when:

Subpart F. Retaliation. Retaliation includes, but is not limited to, intentionally engaging in any form of intimidation, reprisal or harassment against an individual because he or she:

a) made a complaint under this policy;

SEXUAL VIOLENCE POLICY

Minnesota State University Moorhead is a University within the Minnesota State System. As such, the university adheres to the Board Policy 1B.3 Sexual Violence. For a copy of the policy and related 1B.3.1 Response to Sexual Violence procedure, please visit the MSUM policies page: www.mnstate.edu/policies or the Minnesota State policies page: www.minnstate.edu/board/policy

Policy Statement

Sexual violence is an intolerable intrusion into the most personal and private rights of an individual, and is prohibited at Minnesota State University Moorhead (MSUM). MSUM is committed to eliminating sexual violence in all forms and will take appropriate remedial action against any individual found responsible for acts in violation of this policy. Acts of sexual violence may also constitute violations of criminal or civil law, or other Minnesota State Board Policies that may require separate proceedings. To further its commitment against sexual violence, MSUM provides reporting options, an investigative and disciplinary process, and prevention training or other related services as appropriate.

Application of policy to students, employees, and others. This policy applies to all MSUM students and employees and to others, as appropriate, where incidents of sexual violence on system property have been reported. Reports of sexual violence committed by a student at a location other than system property are covered by this policy pursuant to the factors listed in the Student Conduct Code. Reports of sexual violence committed by an employee at a location other than system property are covered by this policy.

Reports of sexual violence committed on University property by individuals who are not students or employees are subject to appropriate actions by MSUM, including, but not limited to, pursuing criminal or civil action against them.

Reports of discrimination or harassment are governed by the Equal Opportunity and Nondiscrimination in Employment and Education Policy.

Definitions

The following definitions apply to the Sexual Violence Policy and Response Procedure:

Affirmative consent - Consent is informed, freely given, and mutually understood willingness to participate in sexual activity that is expressed by clear, unambiguous, and affirmative words or actions. It is the responsibility of the person who wants to engage in sexual activity to ensure that the other person has consented to engage in the sexual activity. Consent must be present throughout the entire sexual activity and can be revoked at any time. If coercion, intimidation, threats, and/or physical force are used, there is no consent. If the complainant is mentally or physically incapacitated or impaired so that the complainant cannot understand the fact, nature, or extent of the sexual situation, there is no consent; this includes conditions due to alcohol or drug consumption, or being asleep or unconscious. A lack of protest, absence of resistance, or
silence alone does not constitute consent, and past consent to sexual activities does not imply ongoing future consent. The existence of a dating relationship between the people involved or the existence of a past sexual relationship does not prove the presence of, or otherwise provide the basis for, an assumption of consent. Whether the respondent has taken advantage of a position of influence over the complainant may be a factor in determining consent.

**Dating, intimate partner, and relationship violence**

Violence including physical harm or abuse, and threats of physical harm or abuse, arising out of a personal intimate relationship. This violence also may be called domestic abuse or spousal/partner abuse and may be subject to criminal prosecution under Minnesota law.

**Employee**

Any individual employed by Minnesota State, its colleges and universities and system office, including student workers.

**Non-forcible sex acts**

Non-forcible acts include unlawful sexual acts where consent is not relevant, such as sexual contact with an individual under the statutory age of consent, as defined by Minnesota law, or between persons who are related to each other within degrees wherein marriage is prohibited by law.

**Sexual assault**

An actual, attempted, or threatened sexual act with another person without that person's affirmative consent. Sexual assault is often a criminal act that can be prosecuted under Minnesota law, as well as form the basis for discipline under Minnesota State student codes of conduct and employee disciplinary standards. Sexual assault includes but is not limited to:

1. Involvement without consent in any sexual act in which there is force, expressed or implied, or use of duress or deception upon the victim. Forced sexual intercourse is included in this definition, as are the acts commonly referred to as date rape or acquaintance rape. This definition also includes the coercing, forcing, or attempting to coerce or force sexual intercourse or a sexual act on another.
2. Involvement in any sexual act when the victim is unable to give consent.
3. Intentional and unwelcome touching of a person's intimate parts (defined as primary genital area, groin, inner thigh, buttocks, or breast); or coercing, forcing, or attempting to coerce or force another to touch a person's intimate parts.
4. Offensive sexual behavior directed at another, such as indecent exposure or voyeurism.

**Sexual violence**

A continuum of conduct that includes sexual assault, non-forcible sex acts, dating and relationship violence, stalking, as well as aiding acts of sexual violence.

**Stalking**

Conduct directed at a specific person that is unwanted, unwelcome, or unreciprocated and that would cause reasonable people to fear for their safety or the safety of others or to suffer substantial emotional distress.

**Student**

All persons who:

1. Are enrolled in one or more courses, either credit or non-credit, through a college or university; or
2. Withdraw, transfer, or graduate after an alleged violation of the code of student conduct; or
3. Are not officially enrolled for a particular term but who have a continuing relationship with the college or university; or
4. Have been notified of their acceptance for admission or have initiated the process of application for admission or financial aid; or
5. Are not college or university employees and are not enrolled in the institution but live in a college or university residence hall.

The use, possession, distribution, manufacture or sale of any alcoholic beverage, illegal drug and the illegal or unauthorized use, possession, distribution, manufacture or sale of a controlled substance is prohibited by individual students, recognized student organizations and athletic teams when in travel status representing the University.

   a. Alcohol may not be transported in vehicles that are utilized to conduct organization or university business. This includes, but is not limited to state fleet vehicles, rental or personal vehicles transporting students to a university or organization sanctioned event and/or rental or personal vehicles that will be reimbursed for mileage by organizations or the university.

   b. Alcohol may not be brought into, stored or consumed in the lodging facilities used by students, regardless of age, when on travel status.

3. For purposes of the National/International Student Exchange, Study Abroad and Eurospring Programs, the unlawful use, possession, distribution, manufacture or sale of any alcoholic beverage, illegal drug, and the illegal or unauthorized use, possession, distribution, manufacture or sale of a controlled substance will be determined by the law of the foreign state or country. Students are expected to comply with the laws of the foreign country. The standard applicable during travel status is to accommodate the educational aspect of exploring customs of culture of foreign countries.

4. The use, possession, distribution, manufacture or sale of any alcoholic beverage or illegal drug and the illegal or unauthorized use, possession, distribution, manufacture or sale of a controlled substance by MSUM students is prohibited at all off-campus university sponsored student events.

5. As members of the University community, students who live or visit off-campus are expected to behave responsibly when off-campus. University community members violating civil or criminal law may be subject to University conduct procedures for the same conduct when the conduct occurs off campus but adversely affects the educational, research, or service functions of the University. Students should be aware that a student’s unlawful use, possession, distribution, manufacture or sale of any alcoholic beverage, illegal drug and the illegal or unauthorized use, possession, distribution, manufacture or sale of a controlled substance cited by local law enforcement may be reported to the University. If reported, the University will take appropriate disciplinary action under this policy.

6. The following advertising and promotional activities are prohibited:

   a. Using alcoholic beverages as awards or prizes in connection with university sponsored student events;

   b. Alcohol promotional activities and advertising associated with university sponsored student events; (this includes, but is not limited to, such items as: cups, t-shirts, beverage can coolers, and any other items carrying alcohol/beer advertising);

   c. Advertising of alcohol or illegal drugs appearing in university controlled or affiliated publications including university affiliated web sites over which it has editorial control.

The University does not regulate content or advertisements in autonomous student-edited publications, such as student newspapers, but encourages the editorship to not include advertising that promotes the
high-risk use of alcohol such as happy hour drink specials, two for ones or other advertisements that encourage rapid and excessive consumption of alcohol.

NOTE: Although the Minnesota Medical Cannabis Law and program allows seriously ill Minnesotans to use medical marijuana to treat certain conditions, the possession and use of marijuana remains illegal under federal law, including the Drug-Free Schools and Communities Act, the Controlled Substances Act, and the Campus Security Act, and Board Policy 5.18 Alcoholic Beverages or Controlled Substances on Campus. Therefore, the use, possession, production, manufacture, and distribution of marijuana continues to be prohibited while a student is on university owned or controlled property or any function authorized or controlled by the university.

Exceptions:

For instructional purposes in authorized laboratory and classroom instruction or experiments (accordance with MNSCU Board Policy 5.18)

For one-time use of alcoholic beverages at specific University events when authorized by the President (in accordance with MNSCU Board Policy 5.18)

A Good Samaritan exception for violations of the alcohol/other drug policy will be recognized and honored. A student, who may be in violation of the alcohol/other drug policies but comes to the aid of another student by seeking professional help, will not be cited for an alcohol/other drug university conduct violation. This exception will not be granted to those who flagrantly or repeatedly violate the University’s Alcohol and Other Drug Policy.

For legal and responsible* use of alcoholic beverages by students in travel status while attending events, such as banquets, when the use of alcohol has been approved by the sponsoring organization and where properly licensed Third Party Vendors provide sales of alcohol, which are staffed only by the employees of the host site or the Third Party Vendor. Students who legally consume are prohibited from operating vehicles following consumption.

Further restrictions or allowances of legal and responsible* use of alcohol may be applied to students or student groups on travel status based on the specific program’s needs and direction of the faculty or staff supervisors/advisors.

*Non-responsible use is defined as behavior that disrupts the University community, endangers the health or safety of self or others, results in damage to University or personal property, or requires the intervention of University or community resources. Examples of non-responsible use includes but is not limited to disorderly conduct, excessive noise, violence, threats, vandalism, or intoxication that leads to intervention by University personnel, law enforcement personnel, or medical personnel.

Sanctions for individuals in violation of the policies on alcohol & other drugs:

The University reserves the right, based on the severity of the incident, to automatically refer a student to a higher level (i.e. a student’s first violation may result in Level Two or Level Three). Parental notification, in accordance with the University’s FERPA Policy § IV (A)(5), may occur. At the discretion of the hearing officer, a student may be assigned a combination of disciplinary sanctions as defined in this policy and the Student Conduct Code. Students who fail to follow the policy procedures will be subject to a registration and grade hold and may face separation from the university. The following sanctions accumulate during a students college career.

Level One: Students will receive a written warning and will complete an online education program. Student will also complete an assessment and educational session with the Chemical Health Educator. There will be a mandatory fee of $75.00, which will appear on the MSUM billing statement.

Level Two: Students will be placed on university disciplinary probation and will meet with the Chemical Health Educator to determine the appropriate level of intervention. Intervention could be individual or group setting. The mandatory fee is $150.00, which will appear on the MSUM billing statement.

Level Three: A student with a severe violation or a third violation of the Alcohol and Drug Policy during his or her college career is subject to a minimum of one semester suspension from the university unless extraordinary circumstances exist. Upon re-admission following a suspension, any further alcohol or drug violation may result in expulsion from the University.

The University reserves the right to waive suspension in the event that the student agrees to a referral to a licensed treatment facility for assessment and follows all recommendations. Any costs will be the responsibility of the student. The Chemical Health Educator may assist the student in facilitating the process.

Sanctions for organizations in violation of the policies on alcohol & other drugs:

Organizations found in violation of the alcohol and other drug policy may be prohibited from conducting social functions and solicitation and acceptance of new members,
and university recognition may be on probation. Sanctions will be educational in nature and last for a duration of time determined by the sanctioning body or University official. The University reserves the right to suspend or revoke university recognition of the organization.

Based on the severity of the incident or in the case of multiple violations for the alcohol and other drug policy, university recognition will be suspended for a period of no less than three years. The University reserves the right to revoke university recognition of the organization. In addition to the university’s Student Alcohol and Other Drug Policy, departments and student organizations may have established rules that are more restrictive and indicate additional sanctions for violations. Sanctions may include action such as suspension from an activity, a team, or organization.

PARENTAL NOTIFICATION POLICY & PROCEDURE

Students experience a variety of positive and negative challenges when transitioning from their home environment to college life. Sometimes these challenges interfere with students’ academic achievement and may include alcohol and/or drugs. MSUM’s goal is to partner with families in assisting with students’ transitions. The 2008 Minnesota Legislature amended the Education Data section of Minnesota Statute to address the issue of postsecondary institutions notifying parents of their students’ drug or alcohol offenses. This allows, but does not require, MSUM to disclose disciplinary violations based on drug or alcohol use or possession if the student is under the age of 21 at the time of the violation. Disclosure is only based upon a student signing a release and identifying the specific person(s) the information may be released to. Upon a student being found responsible for violating the University Alcohol and Other Drugs Policy, the Office of Student Conduct and Resolution will send out a letter to the identified parent/guardian stating the occurrence of an incident, the student’s sanctions, and information regarding future behavior.

A student may indicate they want the release of information even if there is no current record or disciplinary violations. Students shall provide the release of information allowed within the online Release of Student Information form. A paper copy is also available in the Dean of Students Office, Flora Frick 153. For questions regarding this release of information, please call (218) 477-2174.

DRUG OFFENSE CONVICTION STATEMENT

Students convicted of possession or sale of illegal drugs for an offense that occurred when receiving Title IV aid, are ineligible for future financial aid. Eligibility is suspended for one or more years, unless the violator completes an approved drug rehabilitation program that includes random drug testing.

SMOKING AND TOBACCO USE/SALE POLICY

Minnesota State University Moorhead is committed to creating a clean, safe, and healthy living, learning, and working environment for all students, employees and guests in all University facilities and any other property controlled by the University including state-owned, leased, or rented vehicles.

Policy: Smoking, tobacco use, and tobacco sales (including the use or sale of smokeless tobacco products and electronic nicotine delivery systems) are prohibited in University facilities or on any other property controlled by the University including state-owned, leased, or rented vehicles. Smoking or tobacco use is prohibited within twenty (20) feet of any entrance, exit or operable window of University facilities or of any other property controlled by the University.

Policy Exceptions: Exceptions for instructional, research, educational, cultural, ceremonial and/or artistic purposes must be approved in advance by the MSUM Director of Public Safety or designee prior to its actual use. Such use should be preceded by reasonable advance notice to the public.

Policy Enforcement: Enforcement of this policy will depend upon the cooperation of all faculty, staff and students, not only to comply with this policy, but also to encourage others to comply with the policy.

In the case of a violation, the person will be informed of the Smoking and Tobacco Use/Sale Policy. If the person continues to violate the policy, the aggrieved party should contact MSUM Public Safety who will notify the MSUM Office of Student Conduct & Resolution if the violator is a student and the MSUM Human Resources Office if the violator is a University employee.

Definitions:

“Smoking” means inhaling or exhaling smoke from any lighted cigar, cigarette, pipe, or any other lighted tobacco product or plant product. Smoking also includes carrying a lighted cigar, cigarette, pipe or any other lighted tobacco or plant product intended for inhalation.
"Smoking" means inhaling or exhaling smoke from any lighted cigar, cigarette, pipe, or any other lighted tobacco product or plant product. Smoking also includes carrying a lighted cigar, cigarette, pipe or any other lighted tobacco or plant product intended for inhalation.

"Smokeless Tobacco Products" consist of the use of snuff, chewing tobacco, smokeless pouches, or other forms of loose leaf tobacco.

"Indoor Area" means all space between a floor and a ceiling that is bounded by walls, doorways, or windows, whether open or closed, covering more than 50 percent of the combined surface area of the vertical planes [wall space] constituting the perimeter of the area. A wall includes any retractable divider, garage door, or other physical barrier, whether temporary or permanent. A standard window screen is not a wall.

ACADEMIC HONESTY

Policy
The University expects all students to represent themselves in an honest fashion. In academic work, students are expected to present original ideas and give credit for the ideas of others. Faculty members have academic freedom, which includes the authority to design and develop materials presented in a course along with deciding how to teach the course. Also, faculty members have the authority to evaluate submissions from students to determine what grade is to be given to each student in the course or on a particular activity.

When an instructor has convincing evidence of cheating or plagiarism, the instructor has a variety of options, which may include the following academic outcomes (this list is not exhaustive):

- A failing grade may be assigned for the course in which the student cheated.
- The course grade may be reduced.
- The assignment may be given a zero.
- The individual item on the assignment may be given a zero.
- The student may be required to re-submit the assignment.
- The student may be required to submit an alternative assignment that meets the same learning outcomes.

The instructor shall report the incident of academic dishonesty and the academic outcome to the college dean in instances where a failing grade in a course is given solely due to academic dishonesty. The instructor may also choose to report the incident of academic dishonesty and the academic outcome to the college dean for other cases, at the instructor’s discretion. If the instructor, dean, or any other person feels the seriousness of the offense warrants additional action, the incident may also be reported to the Director of Student Conduct and Resolution in the Dean of Students Office who will determine any relevant student conduct outcome.

- For students who are referred, past case history will be reviewed to determine if any additional disciplinary, non-academic outcomes should be assessed. The Director of Student Conduct and Resolution may assess non-academic outcomes in addition to the academic outcomes in situations including, but not limited to, the following: if there are repeated academic dishonesty violations, if a student takes a test for another student, if a student obtains an unauthorized copy of a test, if a student misrepresents facts to receive a postponement or extension on a test, quiz, or other assignment.

- The Director of Student Conduct and Resolution does not provide an academic outcome for students found responsible for violating University Prohibited Conduct Policies nor requests or initiates any academic outcome in such cases; rather, a student conduct outcome is assigned and recorded within the student’s disciplinary record. See the Student Conduct Code located in the Student Handbook.

Definitions

Cheating:
Cheating includes, but is not limited to:

- The use of any unauthorized assistance in taking quizzes, tests, or examinations in the classroom or online learning environment;
- The use of sources beyond those authorized by the instructor in writing papers, preparing reports, solving homework problems, or carrying out other assignments;
- The acquisition, without permission, of tests, solution keys, or other academic material belonging to a member of the MSUM faculty or staff; or
- Engaging in any behavior specifically prohibited by a faculty member in the course syllabus or class discussion.

Plagiarism
Plagiarism includes, but is not limited to:

- The use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment, or
- The unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials or misrepresentation of student work in an online environment (i.e. submitting work prepared by someone else).
Procedures
It is important that students be provided an opportunity to respond to allegations of academic dishonesty within a reasonable time after the allegations have been made. Modifications can be made to the following, but minimal due process must be satisfied.

Minimal due process requires faculty 1) to tell the student the alleged specific behavior in question and 2) to provide an opportunity for the student to respond to the allegation prior to the faculty member determining an academic outcome. Note: In cases where a student is asked to re-submit an assignment, such as when they have improperly cited a reference, these two criteria are generally met when the instructor asks for an assignment to be corrected and resubmitted. In serious cases, due process will likely be more formal, and in such cases, it is recommended that detailed notes be kept regarding these matters.

When a case is reported to the Dean of Students Office, the Director of Student Conduct and Resolution will follow procedures set out in the Student Conduct Code. After the review of the case and a fair, unbiased hearing, the Director of Student Conduct and Resolution may take disciplinary action if the student is found to be responsible.

A student who has a course grade reduced by an instructor because of cheating or plagiarism, and who disputes the instructor’s finding, may appeal the grade, but only by using the Grade Appeal Policy, which states that the student must prove the grade was arbitrary, prejudicial, or in error.

Rationale
The University is committed to the core value of integrity and mutual respect in our conduct and interactions. The value of a college degree, moreover, depends on the integrity of the work completed by the student.

GRIEVANCE/COMPLAINT PROCESS
This general procedure is applicable only to those administrative actions for which no special grievance procedure has been established. Special procedures have been established for certain academic (e.g. graduation, grades), student conduct, discrimination/harassment, and employment related matters. Students desiring to appeal actions or procedures of University administrative offices must meet with the following officials, continuing up the hierarchy as necessary to resolve the issues.

Academic Affairs
1. Department Chair of the academic discipline in which the problem arose
2. Dean of that college discipline
3. Provost and Vice President for Academic Affairs
4. President

Administrative Affairs
1. Director of specific area
2. Vice President for Facilities and Administration
3. President

Enrollment Management & Student Affairs
1. Director of specific area
2. Vice President for Enrollment Management & Student Affairs
3. President

STUDENT EMAIL POLICY
Email is an appropriate and preferred method for official communication by MSUM with students. All official University business will be conducted via “mnstate.edu” email accounts. Email communication to students will be sent to the mnstate.edu email address exclusively. Students are expected to receive, read, and act in a timely manner, if necessary.

For the guidelines regarding appropriate email use, please visit the Information Technology web page.
mnstate.edu/it/policy/computer_policies.shtml

ONLINE COMMUNICATION
Students are encouraged to become actively engaged in the University community. Social networking websites, e.g. Facebook, Twitter, and Instagram provide additional means for students to connect with one another. Communication on these sites is considered a public forum and can be viewed by anyone. To support personal safety and guard against identity theft, students are cautioned against including class schedules, birthdates, cell phone numbers, and addresses on their profiles. While the University does not monitor such sites, suspected violations of law or University policy online may be submitted to campus officials and police for investigation.

SKATEBOARDING, IN-LINE SKATE, BICYCLE AND HOVER BOARD USE
Skateboards, in-line skates and bicycles are permitted on property controlled by the University for the purpose of transportation only and are prohibited from use inside any University facilities. Jumping, stunts, use on structures or ramps and/or imprudent operations are prohibited. Pedestrians have the right-of-way on all sidewalks. Hover boards are not permitted on any property controlled by the University or inside any University facilities, including residential locations.

COVID-19 HOUSING AND RESIDENTIAL LIFE POLICIES

Minnesota State University Moorhead aims to deliver its mission while protecting the health and safety of our students and minimizing the potential spread of disease within our community. As a resident, the 2019 Novel Coronavirus or similar public health crisis (“COVID-19”) will impact your housing experience as Housing & Residential Life (HRL) continues to make public health-informed decisions. The below policies and guidelines are incorporated into the Minnesota State University Moorhead Student Handbook 2020-2021 and are applicable to all residents. As always, we plan to update you with timely information about specific health and safety guidance important for our residents.

Acknowledgement of Risk.
Minnesota State University Moorhead holds as paramount the health, safety and welfare of every member of its community. Minnesota State University Moorhead, however, cannot guarantee a COVID-19-free environment. Unfortunately, the risk of COVID-19 exposure exists in all public places where people are present. Minnesota State University Moorhead is taking all recommended steps to mitigate this risk, but we cannot categorically guarantee you will not get sick. Minimizing the risk of COVID-19 infections (or any other spread of disease) at Minnesota State University Moorhead is a shared responsibility. As outlined below, every member of our community – including you – must do their part.

Health and Safety.
We expect that all members of the residence hall community—residents, staff and visitors—act in a manner that demonstrates respect and consideration for those around them, including respect and consideration for the health and safety of all community members. All residents are prohibited from creating a health or safety hazard and the Minnesota State University Moorhead may request or require a resident to leave the residence halls if their continued presence in the housing community poses a health or safety risk for community members. Residents are required to comply with health and safety laws, orders, ordinances, regulations and health and safety guidance adopted by the Minnesota State University Moorhead or HRL as it relates to public health crises, including COVID-19. This guidance will evolve as the public health crisis evolves and may include, but is not limited to, social distancing, limitations on mass gatherings, wearing a face covering, COVID-19 diagnostic and surveillance testing (including before or upon/after arrival to campus), contact tracing, disinfection protocols, limitations on guests into residence halls, and quarantine/isolation requirements (including before or upon/after arrival to campus). Adherence to health and safety requirements applies to all residents, staff and visitors and extends to all aspects of residential life, including bedrooms, bathrooms, community kitchens, lounges, study rooms, courtyards and other common spaces.

Quarantine / Isolation / Separation.
At any time, the Minnesota State University Moorhead may request or require a resident to leave the residence halls when that resident’s continued presence in the housing community poses a health or safety risk for community members. Residents are required to comply with requests from HRL to leave their assigned space due to COVID-19 or other public health emergency. Failure to do so may subject a student to administrative removal of their assigned space. Not all HRL resident rooms or halls are appropriate for self-quarantine or self-isolation, for example, and in those situations where a resident is recommended to self-quarantine or self-isolate, residents may not be permitted to continue residing in their residential space and will be provided alternative housing arrangements as needed. Removal to isolate or quarantine does not constitute a termination of a resident’s housing contract. Limited cleaning, meal, and personal support will be provided to students in isolation and quarantine.

De-Densifying Efforts.
Residents are required to comply with any de-densifying efforts needed on campus due to COVID-19 or other public health emergency, including, but not limited to, the relocation of all or some residents to alternative housing. Relocation does not constitute a termination of a resident’s housing contract. In the event HRL must relocate students as part of a de-densifying strategy due to public health concerns for an extended period of time and alternative housing is not available, Minnesota State University Moorhead will offer impacted residents fair and reasonable reimbursement as appropriate and based on information available at that time.

Campus Dining.
Dining service, including where and how it will be offered to residents, is subject to the discretion of the Minnesota State University Moorhead and is subject to modification to address public health concerns. Due to health and safety guidance adopted by the Minnesota State University Moorhead, campus dining may limit the occupancy of dining halls, limit the amount of time students may reside within dining halls, or make other operational adjustments needed to address health and safety concerns.

Cleaning.
HRL will continue to implement and modify its cleaning protocols to address COVID-19 or other public health emergency in the interest of minimizing the spread of disease. HRL will educate and inform residents on appropriate cleaning protocols within their assigned spaces to reduce the spread of COVID-19 within residence halls.

Termination.
Upon reasonable notice, HRL reserves the right to terminate housing contracts due to public health emergency needs, including COVID-19. In the event HRL terminates housing contracts due to public health concerns, Minnesota State University Moorhead will offer fair and reasonable reimbursements for impacted students as appropriate and based on information available at that time.
INTRODUCTION

Minnesota State University Moorhead (MSUM) is a living and learning community for students, faculty, staff, vendors, contractors, and visitors. In alignment of the MSUM mission, the university strives to maintain an environment that is conducive to the academic success of all students and to protect the rights of all members of the university community. Students are members of both the MSUM community and the surrounding Fargo-Moorhead-West Fargo community; they are expected to be respectful citizens who are responsible for their behavior.

The MSUM Student Conduct Code and included disciplinary process are designed to set expectations for which all students shall comply, protect due process rights, and hold students accountable for violating policy through an educational approach.

The University views the student conduct process as a learning experience that promotes growth and personal understanding of one’s responsibilities and privileges within the University community. Therefore, it is the responsibility of the student who has been accused of misconduct to participate conscientiously in the discipline process. Students are responsible for becoming familiar with University policies and procedures. Failure to be informed does not excuse misconduct.

MSUM standards of conduct are published here as the Code of Conduct. In all conduct proceedings it is recognized that MSUM is an educational institution and not a court of law. This code does not replace or reduce the requirements of civil or criminal laws. All criminal activity may be referred to local law enforcement as well as investigated internally. Members of the University community also have responsibilities as citizens. Violations that constitute crimes and the annual crime report can be found on the web page of the Department of Public Safety.

Being under the influence of alcohol and/or other drugs does not in any way excuse or mitigate responsibility for a student’s behavior. The excessive, illegal, unprescribed or otherwise socially irresponsible use of alcohol or other drugs infringes upon one’s ability to preserve personal integrity and civility.

Disciplinary action is cumulative resulting in more serious consequences if the student engages in repeat violations or fails to follow through with sanctions from a previous hearing.

2. Air Conditioners
Air conditioners (including window and floor units) may be permitted if a medical necessity is verified based on medical documentation and approval is granted by the Department of Housing and Residential Life.

3. Alcohol and Other Drugs
In addition to the University Alcohol and Other Drug Policy found in the Policies and Procedures section, the following are specific to behaviors that occur in the residence halls:

While the University recognizes the importance of emotional support animals to individuals with a documented disability, students must have prior approval before such an animal is allowed in the residence halls. Students must also adhere to the expectations provided by MSUM Accessibility Resources and Housing and Residential Life.

A Service Animal is permitted to accompany an individual with a disability at any time, which includes places where pets are not permitted. A Service Animal must be harnessed, leashed, or tethered, unless these devices interfere with the Service Animal’s work or the individual’s disability prevents using these devices. In that case, the student must maintain control of the animal through voice, signal or other effective control. Students who require the use of a Service Animal on campus are encouraged to contact Accessibility Resources.

5. Bathrooms
Students may use floor and common area bathrooms that correspond to their expressed gender identity. Single user bathrooms and stalls are designed for one person use only. Students may not use bathrooms when cleaning staff are present. Students may only use bathrooms on their residence hall floor or public restrooms. Guests must use public restrooms.

6. Computer/Internet Misuse
Any violation of the University Computer Use Policy or MinnState Policy and Procedure 5.22 and 5.22.1 on Acceptable Use of Computers and Information Technology Resources is prohibited. MSUM’s computer use policy can be found at mnstate.edu/it/policies-procedures.

7. Disruption to Community
Disruptive behavior in and around the residence halls is prohibited. This includes conducting oneself in a manner so as to disturb, intimidate, or threaten other members of the university community, engaging in inappropriate behavior that necessitates additional response from university or city personnel, or individual or group activities that may result in damage or destruction to self or property.

8. Fire Safety

a. When fire alarms are activated, including during scheduled fire drills, all occupants must evacuate the building. Residents must wait outside the building until a member of the hall staff indicates they may return.
   - Students who may require extra time to evacuate a building will be notified of any scheduled fire drills.
   - Students in isolation or quarantine housing will be notified of any scheduled fire drills.

b. Fire Safety equipment is provided to help ensure everyone’s safety. Tampering with alarms, extinguishers, sprinklers, or smoke detectors is a violation of local, state, and federal laws, as well as a violation of University policies.

c. Batteries may not be removed from smoke detectors except to replace them. Replacement batteries are available at your hall front desk.

d. Any activity that could potentially compromise fire safety in the halls is a violation of policy. This includes such behaviors as falsely pulling a fire alarm, covering or removing a smoke detector, hanging items from sprinkler heads, obstructing egress by chaining a bike to a stairwell or blocking a corridor with floor mats, shoes, furniture or other items that impedes firefighters’ access to a fire.

A guest is defined as anyone not assigned to the room/apartment. Students are responsible for the actions of their guests, and are responsible for making sure their guests adhere to all University policies.

a. Residents will discuss and document when guests will be allowed per room by using the Roommate Agreement Form. After completion, this form will be kept on file and can be referred to if there are disputes. All guests, including overnight guests, must be pre-approved by residents of the room/apartment.

b. There may be no more than two guests in a room/apartment at any time.

c. Overnight guests may not stay for more than three nights in a week.

d. Guests must be escorted at all times by a hall resident.

e. Cohabitation is not permitted.

10. Harassment (Physical, Racial, Sexual, Verbal, Electronic, by Telephone, or other forms of bias)
Students are prohibited from harassing any other person by making repeated and/or unwelcome sex-related comments, sexual overtures, verbal threats, or physical behavior, including rape. (See also MSUM Nondiscrimination in Education and Employment Opportunity policy and procedure and the MSUM Sexual Violence policy and procedure in the previous section.) It is a violation for persons to use the telephone or electronic means to harass or threaten others. Please report obscene or nuisance telephone calls or electronic messages to Public Safety. You should also report it to your Resident Assistant or Apartment Assistant immediately.

11. Health Hazards
Situations or items such as piled, soiled clothing, exposed food items, vomit or bodily fluids, and the noxious odors emanating from such pose serious health hazards in the community and are prohibited.

12. Keys
At check-in, all residents are issued a room key; access to building is via Dragon ID card (ID). John Neumaier residents also receive a mailbox key. Residents should keep their rooms locked and carry their keys and ID whenever they leave their room. If a resident misplaces their keys or access card, spare key(s) and access card can be checked out at the front desk for up to 48 hours. If the key(s) and access card are not returned within that 48 hour period or if a resident fails to return a key upon checkout of their room, a work order will be placed to replace the lock core. Residents will be billed $50.00 ($60.00 in suites or apartments) per missing room key, $35 for missing temporary access card or exterior door key, and $50 per John Neumaier apartment mailbox key, regardless of whether the key(s)/access cards are later found and returned. If a resident believes that their keys/access cards have been stolen, they may request that a work order be placed to replace the lock core immediately. The resident will then be billed for the cost to re-core the door, replacement for exterior door key, and any applicable overtime charges. When residents move out or change rooms, they must return all keys issued to them, including any keys that were once thought to be missing, but were later found. In addition, the following behaviors are considered a misuse of keys and are prohibited.

a. Giving a guest or another resident your key or ID to access your room or building when you are not present. The ID policy also applies.

b. Checking out loaner keys/access card so that your guest or another resident has access to your room or building.

c. Finding a “lost” key/access card and failing to return it to the front desk.

d. Using a “lost” key/access card to access a room, floor, or building that you are not authorized to have access to.

e. Taking or using a key/access card that was not issued to you.

Abuse of another’s possessions or damage to equipment in the laundry room is not permitted. Any use of the equipment by or for a non-resident of that building is not permitted.

14. Lofts
Only university provided lofts or those rented from CSI Lofts are permitted. Rental information is available at: www.csilofts.com. Be sure to check with Housing and Residential Life prior to renting a loft, as rooms in some halls are not conducive to lofting.

15. Occupancy
A student assigned to a double room only has claim for one-half the room and its furnishings. Each roommate has an equal right to access the room and the privacy within it. A student in a double room without a roommate, must always be ready to accommodate a second resident. Housing and Residential Life will not consult with existing residents on any new roommate assignments unless existing resident has identified a roommate of their own choosing. Creating an unwelcome atmosphere or refusing a roommate could result in the responsibility for a double as a single room rate, contract cancellation, and disciplinary proceedings. Students without roommates may be consolidated (i.e. moved to another room) in order to accommodate double-as-single room requests.
16. Painting
The painting of residence hall rooms is not permitted. Similarly, students are not permitted to decorate walls, ceilings or furniture with paint, highlighter, pencils, pens, washable paints, acrylics, laundry detergent, or any other substances.

(Form is available in the Department of Housing and Residential Life, Ballard Hall 120). Completed applications shall be available to the public. Complaints about a campaign worker will be made to the responsible party on the application.
   b. Candidates may campaign in public areas, on residence hall floors or in the dining areas and may be joined by up to three campaign workers. In the absence of their candidate, campaign workers may campaign only in the public areas (lobby, outside dining hall entrance).
   c. Door-to-door political campaigning by the candidate with their campaign workers may occur between 10:00 a.m. and 9:00 p.m. daily. Public area campaigning is permitted between 8:00 a.m. and 11:00 p.m. daily.

20. Quiet Hours/Courtesy Hours
Residents have the right to sleep and study in their rooms at any time. When asked by someone to respect this right, residents are expected to demonstrate courtesy and consideration by complying with the request. This policy applies to noise that can be heard from both inside and outside a residence hall.

Quiet hours are in effect from 10:00 PM until 9:00 AM Sunday to Thursday, 12:00 AM until 9:00 AM weekends (Friday and Saturday). Individual floors may choose to extend these hours. Quiet hours means that sound must not be audible beyond the limits of an individual room, hallway, or lounge. During finals week, 24-hour quiet hours will be in effect. Any student removing a loft at the end of a semester or academic year must do so before 24-hour quiet hours begin or wait until final examinations are completed.

Courtesy hours are in effect 24 hours a day, 7 days a week. As a general rule, at no time should noise be heard from a resident’s room more than 2 doors away, or from another floor.

21. Residence Hall Room as a Place of Business
The use of state property including resources, residence hall rooms, internet connectivity, and/or phone service for purpose of running a business is prohibited. This includes providing child care, selling goods or services online or on a floor, or other revenue generating practices.

   b. Unauthorized presence: Students and visitors may not enter or roam a hall or living unit where they do not live without an escort who is a resident of that hall or living unit. Allowing unescorted non-residents access to a building or living area, including walking through the residence halls unescorted, is a violation of this policy.

24. Room Decorations
   a. Room decorations may not damage facilities or create a health, safety or fire hazard and should be subject to each roommate’s approval. Fire regulations prohibit the use of any flammable hanging decoration including

26. Smoking and Tobacco Use
   Smoking, tobacco use, and tobacco sales (including the use or sales of smokeless tobacco products) are prohibited on University-owned, -operated, -or leased property. The use of electronic cigarettes and vaporizers (vaping) are not permitted on campus.

27. Sports in the Halls
   Running, hacky sack, Frisbee throwing, hockey, in-line skating, skate boarding, rip-sticking, bouncing balls, riding bikes, and other athletic/sport-type activities are prohibited in the residence halls. No remote control toys are to be operated in the hallways. Staff members reserve the right to confiscate equipment used in violation of this policy. Those causing damage to university property due to use of this type of equipment will be held financially responsible.

28. Trash Removal
   Students are responsible for taking out their own trash. Trash must be taken to and deposited in the nearest designated trash areas. All trash must be removed from all rooms during break periods.

Throwing any object from a residence hall window or using a window as an entry or non-emergency exit is a serious safety concern.

SECTION IV: VIOLATION OF LAW AND UNIVERSITY DISCIPLINE

University disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the administrator. Determinations made or sanctions imposed under this Student Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.

SECTION V: DISCIPLINARY PROCEDURES

A. Investigation & Informal Process
   Any member of the University community may file a written complaint alleging that a student or student organization has violated student conduct proscriptions. Any complaint should be submitted as soon as possible after the event takes place. Persons filing complaints shall be informed of their rights under the Minnesota Statute 13.04, subdivision 2. Following the filing of a complaint against a student or student organization, the Director of Student Conduct and Resolution shall conduct an investigation of the allegations.

   1. If the complaint seems unwarranted, the Director of Student Conduct and Resolution may discontinue proceedings.
2. If there is sufficient evidence to support the complaint, the Director of Student Conduct and Resolution shall offer the accused student an opportunity to resolve the alleged violation at an informal meeting. Prior to this meeting, the student shall be given written notice of the specific complaint against him/her and the nature of the evidence available to support the complaint and provided with a copy of the code of conduct. During the meeting the Director of Student Conduct and Resolution shall review the complaint and the evidence with the student and allow the student to present a defense against the complaint.

3. Within a reasonable time period following the meeting, the Director of Student Conduct and Resolution shall inform the accused student in writing of his/her decision whether a violation of the code was established by a preponderance of evidence and any applicable sanction as well as options available for an appeal and/or a formal hearing. The complainant must receive notification consistent with state and federal privacy laws.

4. A student who is subject to a sanction of expulsion or suspension, except summary suspension, for more than nine days may agree to accept the sanction, or may request a formal hearing prior to implementation of the sanction. Other sanctions shall be accepted or may be appealed in accordance with the University’s appeal procedures.

5. If the accused student fails to appear for the informal hearing, the Director of Student Conduct and Resolution may proceed to review and act upon the complaint in the student’s absence and shall notify the student in writing of the university’s decision, including whether a violation of the student code of conduct was established by a preponderance of evidence and any applicable sanction(s) as well as options available for an appeal and/or a formal hearing. The complainant must receive notification consistent with state and federal privacy laws.

B. Formal Hearing

The Director of Student Conduct and Resolution determines the composition of the Student Conduct Panel, based on the membership of the Student Conduct Committee. Students serving on the Panel (and Committee) are appointed by Student Senate. Student Conduct Panel Hearings shall be conducted by a Student Conduct Panel according to the following guidelines:

1. Accused students referred for a formal hearing shall be given adequate advance notice in writing of the time, place, and date of the hearing.

2. Within a reasonable time prior to the hearing, the student must be informed in writing of: a) the complaint, b) the evidence to be presented against him/her, c) a list of witnesses, and d) the nature of their testimony.

3. In hearings involving more than one accused student or organization, the Director of Student Conduct and Resolution, in his or her discretion, may permit the hearing concerning each student to be conducted either separately or jointly.

4. The student must be given the opportunity to speak and present a response to the complaint, to present witnesses, to question any witnesses, and to have a support person present. The support person may provide advice to the student, but may not participate in any questioning or the presentation of information.

5. A student’s failure to appear at the hearing will not prevent the hearing from proceeding as scheduled.

6. A written notice of findings and conclusions shall be provided to the student within a reasonable time after the hearing. The notice shall inform the student of any sanction to be imposed. The notice shall also contain information regarding the applicable appeal process.

7. The complainant must receive notification of process outcomes consistent with state and federal privacy laws.

8. The hearing may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, accused student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Director of Student Conduct and Resolution to be appropriate.

9. During vacation periods, summer, or under special circumstances, the Director of Student Conduct and Resolution will act in place of the Student Conduct Committee, will hear the case in accordance with the disciplinary procedures, and will recommend to the Dean of Students the appropriate action.

C. Roles of Others

At times, others may be included in the hearing procedures. This could include witnesses or support persons.

The following is information for those who may act as witnesses in student disciplinary hearings:

1. Witnesses will be asked to make comments regarding the specific incident in question. Any additional comments that are relevant to the specific incident being considered should focus on factual information leaving out opinions, presumptions, or guesses.
2. Witnesses may be asked questions by the accused student. The witness may be asked questions by the hearing officer. The role of the witness is to answer questions, not to ask them.

3. Witnesses may be held accountable through the University disciplinary process if implicated in a violation of a University policy or regulation. For example, false testimony or personal involvement in the incident being reviewed could result in disciplinary action.

4. Witnesses may not intimidate and/or be intimidated by participants of the hearing.

5. Disciplinary hearings may be recorded. If so, this recording will be sole property of the University.

The following is information for those who may act as a support person in student disciplinary hearings:

- Prior to the hearing, the student will be required to complete a release of information to allow the support person’s presence. The student must not be signing under duress.

- A support person may be present during the hearing with a student, but s/he is not there to represent the student or speak on the student’s behalf. The support person may be a parent, clergy, doctor, etc. The support person may provide advice to the student.

- If the support person becomes disruptive during the meeting, the support person will be asked to leave. The student may choose to leave also, but the process will move forward.

D. Disciplinary Sanctions

A sanction is a consequence placed upon a student for violation of specified University rule and/or regulation, including a notice that further violations may lead to more severe disciplinary sanctions. Failure to complete a specified sanction will be considered an additional violation under “Failure to Comply.” In recommending a conduct sanction(s) for student misconduct, the hearing officer will consider:

1. facts of the case as presented by the accuser(s) and the accused.
2. existence of any physical information or testimony of material witnesses.
3. type and severity of the offense.
4. previous incidents of misconduct committed by the individual(s) accused.
5. whether bias motivation is involved, as this would add to the seriousness of the violation

One or more sanctions will be selected from the following list, based on the criteria listed above. Students should note that even though they are of legal age to consume or possess alcohol, MSUM and MnSCU policies prohibit the use or possession of alcohol or illegal drugs on campus.

i. The following sanctions may be imposed upon any student found to have violated the Student Code. More than one of the sanctions listed below may be imposed for any single violation. Notations of suspensions and expulsions must be posted on transcripts in accordance with Minnesota State system procedure 3.29.1. For suspensions, “Disciplinary Suspension. Eligible for Reinstatement Term, Year” will appear; the notation will be removed following the date of eligible reinstatement. For expulsions, “Disciplinary Expulsion. Not Eligible for Reinstatement” will appear; this notation is permanent.

a. Written Warning – A notice in writing to the student that the student is violating or has violated institutional regulations.

b. University Disciplinary Probation – A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation(s) during the probationary period.

c. Loss of Privileges – Denial of specified privileges for a designated period of time.

d. Restitution – Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.

e. Discretionary Sanctions – Work assignments, essays, service to the University, or other related discretionary assignments.

f. Residence Hall Suspension – Separation of the student from the residence halls for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

g. Residence Hall Expulsion – Permanent separation of the student from the residence halls.

h. University Suspension – Denial of the privilege of enrollment for a specified period of time after which the student is eligible to return. Conditions for re-enrollment may be specified.

i. University Expulsion – Permanent denial of the privilege of enrollment at the University.

j. Revocation of Admission and/or Degree – Admission to or a degree awarded from the University may be revoked for fraud, misrepresentation, or other violation of University standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.

k. Withholding Degree – The University may withhold awarding a degree otherwise earned until the
completion of the process set forth in this Student Conduct Code, including the completion of all sanctions imposed, if any.

2. The following sanctions may be imposed upon groups or organizations:
   a. Those sanctions listed above.
   b. Loss of selected rights and privileges for a specified period of time.
   c. Deactivation. Loss of all privileges, including University recognition, for a specified period of time.

E. Summary Suspension

In certain circumstances, the Director of Student Conduct and Resolution, or his/her designee, may impose a summary suspension prior to the informal or formal proceedings described in the previous articles. A summary suspension may be imposed only when, in the judgment of the Director of Student Conduct and Resolution, the accused student’s presence on the University campus would constitute a threat to the safety and well-being of members of the campus community. To the greatest extent possible before implementing the summary suspension, the accused student shall be given oral or written notice of the intent to impose summary suspension and shall be given an opportunity to present oral or written arguments against the imposition of the summary suspension. However, the refusal of a student to accept or acknowledge this notice shall not prevent the implementation of a summary suspension. Notice of the summary suspension shall be provided in writing to the student. After the student has been summarily suspended, the student shall be provided an opportunity for a formal or informal hearing within the shortest reasonable time period, not to exceed nine (9) school or business days. During the summary suspension, the student may not enter the campus or participate in any university activities without obtaining prior permission from the Director of Student Conduct and Resolution.

F. Policy & Procedure for Appeals

1. A decision reached by the Student Conduct Panel or a sanction imposed by the Director of Student Conduct and Resolution may be appealed by the accused student(s) or complainant(s) to the Vice President of Enrollment Management and Student Affairs or his/her designee(s) within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Director of Student Conduct and Resolution or his or her designee.

2. Except as required to explain the basis of new information, an appeal shall be limited to a review for one or more of the following purposes:
   a. To determine whether the Informal or Formal Hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Student Code was violated, and giving the accused student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
   b. To determine whether the decision reached regarding the accused student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish that a violation of the Student Code occurred.
   c. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code which the student was found to have committed.
   d. To consider new information, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Informal or Formal Hearing.

3. If an appeal is upheld by the Vice President of Enrollment Management and Student Affairs, the Vice President may take any appropriate action. If an appeal is not upheld, the matter shall be considered final and binding upon all involved except that in cases involving sanctions of suspension for 10 days or longer, students shall be informed of their rights to a contested case hearing under Minnesota State Statute 14. However, the sanction of suspension for 10 days or longer will go into effect upon the decision of the Vice President.
