

Minnesota State University Moorhead

TESL 672: Content-based Language Instruction

A. COURSE DESCRIPTION

Credits: 3

Lecture Hours/Week: 48

Lab Hours/Week: 0

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

An in-depth exploration of teaching methods that combine language learning with the learning of other subject matter. The course will look at common ELL program models and what approach to content and language learning is inherent in each model. Then each suggested approach will be studied closely through readings, discussions, lesson planning, and microteaching assignments.

B. COURSE EFFECTIVE DATES: 01/10/2011 - 05/13/2022
