

Minnesota State University Moorhead

HSAD 471: Domains of Practice Practicum

A. COURSE DESCRIPTION

Credits: 3

Lecture Hours/Week: 3

Lab Hours/Week: 0

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

The practicum is designed to provide students with valuable real-world experience in long term care, generally with local providers. Students receive academic credit for work of significant practical value to the sponsoring facility and the intern, performed under the supervision of the Health Services Administration faculty. This practicum prepares students for the national examination.

B. COURSE EFFECTIVE DATES: 02/27/2014 - 05/18/2021
