

Minnesota State University Moorhead

SPED 668D: Graduate Licensure Practicum: DD

A. COURSE DESCRIPTION

Credits: 3

Lecture Hours/Week: 0

Lab Hours/Week: 0

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

This graduate field experience is required for completion of the Developmental Disabilities license. During this field experience students are required to complete 120 hours where the majority of time is directly engaged with students with developmental cognitive disabilities. Students will also be required to complete assignments based on the MN Board of Teaching Standards. While students may engage in observations, record reviews, discussions as part of the 120 hours, time for developing the written assignments are not to be counted towards these hours.

B. COURSE EFFECTIVE DATES: 02/01/2015 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

D. LEARNING OUTCOMES (General)

1. Cultivate and maintain positive, collaborative relationships with children and youth, families, educators, other professionals, and the community to support development and educational progress for students with developmental disabilities.
2. Understand and apply principles of prevention and intervening early and procedures for referral, assessment, evaluation, individualized planning, programming, and placement specific to teaching students with developmental disabilities and related learning difficulties.
3. Understand how to use individualized education program plans when designing, implementing, monitoring, and adjusting instruction for students with learning disabilities and related learning difficulties.
