SPED 668B: Graduate Licensure Practicum: LD

A. COURSE DESCRIPTION

Credits: 3

Lecture Hours/Week: 0

Lab Hours/Week: 0

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

This graduate field experience is required for completion of the Learning Disabilities license. During this field experience students are required to complete 120 hours where the majority of time is directly engaged with students with learning disabilities. Students will also be required to complete assignments based on the MN Board of Teaching Standards. While they may engage in observations, record reviews, discussions as part of the 120 hours, time for developing the written assignments are not to be counted towards these hours.

B. COURSE EFFECTIVE DATES: 02/01/2015 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

D. LEARNING OUTCOMES (General)

1. Apply competencies in measurement and assessment appropriate for licensure in the field of learning disabilities.
2. Apply principles of referral, evaluation, planning, and programming appropriate for the field of learning disabilities.
3. Design, implement, and adjust instruction in alignment with individualized educational plans for students with learning disabilities.
4. Maintain positive, collaborative relationships with children and youth, families, educators, other professionals, and the community to support development and educational progress of children with learning disabilities.
