

Minnesota State University Moorhead

MUS 365: Music Industry Practicum

A. COURSE DESCRIPTION

Credits: 1

Lecture Hours/Week: 1

Lab Hours/Week: *.*

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

An on-campus experience in preparation for the music industry internship. Practicum is teaches students the skills and competencies necessary to function in a professional arts production setting. Areas of production study will include music performance, theater performance, multi-media event support/coordination as well as the potential to work within other areas of the arts. Practicum students work within the Dragon Sound "model business," an on-campus entertainment company. May be repeated for up to 8 credits.
