A. COURSE DESCRIPTION

Credits: 2

Lecture Hours/Week: 2

Lab Hours/Week: *.*

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

Nursing Administration and/or Organizational Systems Leadership in a long-term care, ambulatory, or public health setting. This course provides the student opportunities for application of knowledge in nursing administrative and/or organizational systems leadership capacities within self-selected long-term care settings. Students will have the opportunity to observe and participate with a preceptor practicing in the clinical specialty area of nursing administration and organizational systems leadership. Key nurses/nursing practice competencies in the nursing administration and organizational systems leadership roles will incorporate major premises of the American Organization of Nurse Executives (AONE) competencies including: (a) Communication and Relationship Management, (b) Knowledge of Healthcare Environment, (c) Leadership, (d) Professionalism, and (e) Business skills/principles. Additional Nursing Manager and Leader (CNML) essentials will be interwoven into the curriculum including: (a) Clinical Practice Knowledge, (b) Quality Management, and (c) Performance Improvement. 100 precepted clinical hours.

B. COURSE EFFECTIVE DATES: 09/02/2016 - 02/01/2019
