Lab Hours/Week: 0

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

The seminar offers students the opportunity to pursue an approved research project with the guidance of an advisor in areas of special interest to the student. Students will learn from ideas generated by peers and in consultation with their instructors. In this course, learners formalize their research proposal specific to their topic. Emphasis is placed on fully developing Chapter 1 and incorporating Chapters 2 and 3 (drafts) from previous research courses. This proposal becomes the first three chapters of the dissertation upon approval of the final draft. A complete written research proposal will be developed and presented at a Proposal Defense with approval of a program advisor required.
