

Minnesota State University Moorhead

PHO 352: Color Photography

A. COURSE DESCRIPTION

Credits: 4

Lecture Hours/Week: 2

Lab Hours/Week: 4

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

This course will explore the effective use of color and light as a creative means for visual communication. Students will take their own traditional or digital photographs and then utilize various digital photographic techniques, including image scanning and color digital printing. Color theory, correct exposure of color slide and negative films, use of color as an element in photographic design, and the psychology of color will be covered. Upon successful completion of the course, students will demonstrate learned concepts and observations specific to photographic image making, color theory and design.

B. COURSE EFFECTIVE DATES: 08/21/2017 - 05/12/2023

C. OUTLINE OF MAJOR CONTENT AREAS

None

D. LEARNING OUTCOMES (General)

None
