Minnesota State University Moorhead

MATH 101: Foundations of Mathematical Success

A. COURSE DESCRIPTION

Credits: 2

Lecture Hours/Week: 2

Lab Hours/Week: 0

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

This course begins two weeks before Fall semester begins. During the first two weeks of the course, students meet twice a day for an hour each. In the first hour, the students will work together on math projects to help them develop a connection between social interaction and problem solving. In the second hour, students will practice foundational skills that will prepare them for the Math course they will take in the following fall semester. During the fall semester, this class will meet once per week as an opportunity to discuss successes and challenges and to receive help that they need in the Math course they are taking.

B. COURSE EFFECTIVE DATES: 03/10/2021 - 01/12/2022

C. OUTLINE OF MAJOR CONTENT AREAS

None

D. LEARNING OUTCOMES (General)

None

E. Minnesota Transfer Curriculum Goal Area(s) and Competencies

None

F. LEARNER OUTCOMES ASSESSMENT

As noted on course syllabus

G. SPECIAL INFORMATION

None noted
