

Minnesota State University Moorhead

AT 225: Athletic Training Emergency/Immediate Care

A. COURSE DESCRIPTION

Credits: 3

Lecture Hours/Week: 2

Lab Hours/Week: 1

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

Athletic Training Emergency/Immediate Care teaches the basics of emergency care focused on sports injuries. It is a comprehensive course for the athletic trainer who must initially evaluate and stabilize an athlete in a trauma situation. The course teaches rapid assessment, resuscitation, packaging and transportation of the injured athlete. Students will earn American Red Cross CPR/AED Basic Life Support (BLS) and EMR certifications with successful completion of the course to the American Red Cross standards.

B. COURSE EFFECTIVE DATES: 02/02/2015 - Present
