

Minnesota State University Moorhead

HSAD 469: Internship

A. COURSE DESCRIPTION

Credits: 10,11,12,6,7,8,9,1,2,3,4,5

Lecture Hours/Week: 0

Lab Hours/Week: 0

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

The internship is designed to provide students with valuable real world experience in healthcare, generally with local providers and/or organizations. Students receive academic credit for work of significant practical value to the sponsoring facility and the intern, performed under the supervision of the Health Services Administration faculty. A maximum of 12 internship credits may be applied to the degree.

B. COURSE EFFECTIVE DATES: 08/27/2015 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

D. LEARNING OUTCOMES (General)

1. Clearly present understanding of the role and function of health administrators and staff.
2. Describe and work within the federal, state, and local laws, rules, and regulations concerning the operations of long term care organizations whether not for profit or for profit (for LTC students only).
3. Describe the role and function of the administrator and staff and their role in operating a healthcare organization.
4. Describe the unique aspects of the provider or organization the intern is serving.
5. Explain accurately and influence the internal operations and functions of the healthcare delivery system.
