

2021-2022 School Year Covid Additional Agreement

As a parent of a child at the MSUM Early Education Center, I understand that the following items will need to occur, as part of the necessary pre-cautions due to the COVID-19 pandemic:

1. I recognize and understand the risks of allowing my child to attend the EEC during the COVID-19 pandemic, I agree to these risks and will not hold the EEC accountable.
2. I understand that the EEC staff will not be able to keep my child socially distanced from other children and teachers while at the EEC. Social distancing will be encouraged, but is not realistic with children this age for the amount of time we will be with the children each day.
3. I understand that the teachers and children will not be wearing masks during the school day while they are together, when it is not state mandated.
4. I give the Early Education Center permission to use hand sanitizer on my child during this time. It will be used as the children enter the EEC and if soap and water are not available. Handwashing will occur whenever possible.
5. I will notify the EEC immediately if my child or any member of our immediate family tests positive for COVID-19.
6. I understand that my family will need to follow the MN Department of Health quarantine regulations.
