Welcome - Step 1 of 7

Welcome to the **State Wide Integrated Financial Tools (SWIFT)** Supplier Registration process

Upon completion of this process:

- 1) You will be issued a unique SWIFT 'Registration ID' and 'Supplier ID'.
- 2) Your personal and business-related information will be recorded within the SWIFT system, and associated with your Registration ID and Supplier ID.
- 3) Each of your registered contacts will also receive a unique User Identification (also referred to as a 'User ID' or 'OprID'). Your OprID is required for secured access to SWIFT; and will be associated with your Supplier ID.
- 4) Your Supplier ID and OprID are also used to track any bidding activity within SWIFT.

Note: This is not the registration process for 'Bidders'. The State has created a streamlined Bidder Registration process for that group of registrants. If you fall into that group (you do not currently have any purchase requests or payment obligations from the State of Minnesota), please exit now; and, select the 'Register as a Bidder' button; which, once complete, will allow you to bid on events.

If you are an existing Bidder who has been directed to register as a Supplier, you should also exit this process, sign into SWIFT; and, navigate to the 'Initiate Bidder Change' link (within the 'Manage Profile' area of SWIFT); and, step through that process.

We encourage you to select the '?' icons on the registration pages, as they provide additional information. If you still have questions, use the 'Contact Us' option to initiate this process, or contact the Minnesota Management and Budget (MMB) Bidder and Supplier helpline at (651)201-8106.

Note that Pursuant to Minnesota Statute 270C.65, Subdivision 3, vendors are required to provide their Federal Employer Identification Number or Social Security Number. This information may be used in the enforcement of federal and state tax laws. Supplying these numbers could result in action to require a vendor to file tax returns and pay delinquent tax liabilities. These numbers will be available to federal and state tax authorities and state personnel involved in the payment of state obligations.

To begin the registration process, select the type of entity you are representing, and the respective Taxpayer Identification Number - aligning your selection with your IRS filing status. Then select 'Next'.

Note: If you have used the 'Save for Later' option; please select the 'Continue from where you left' radio button at the bottom of the page, enter your registration ID; and then select the arrow to the right of your Registration ID to resume the registration process.
