# READ&WRITE TAKE HOME INSTRUCTIONS

1. Open a web browser and navigate to https://www.texthelp.com/products/read-and-write-education/ and click **Try Read&Write** then select **Mac** in order to download the latest version of the installer.

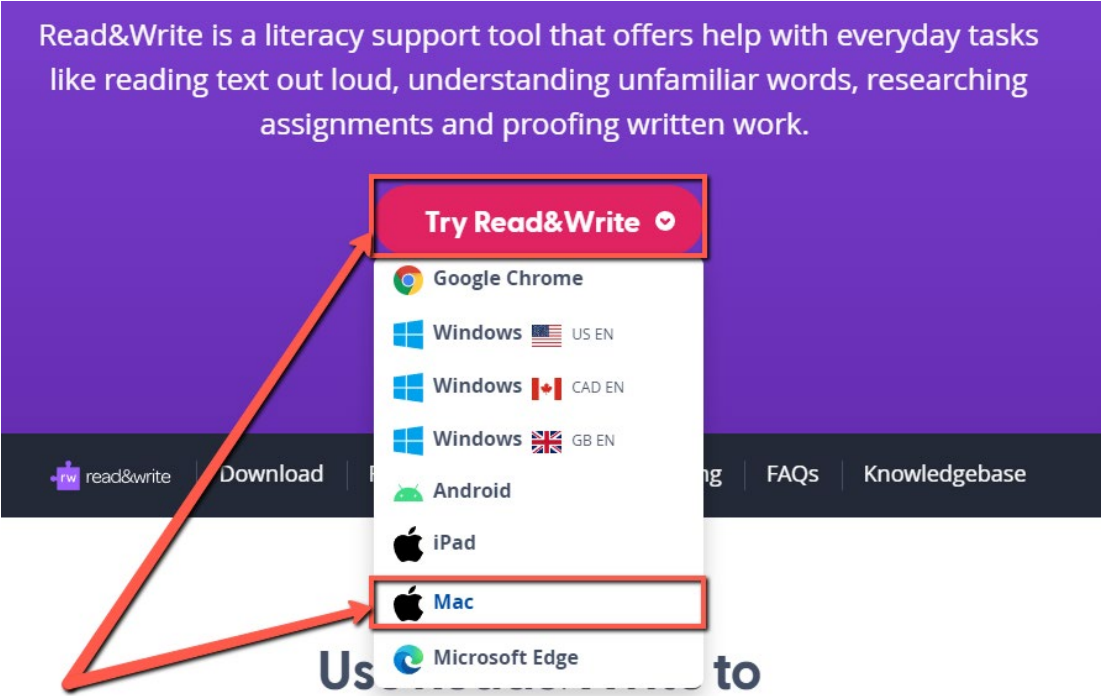

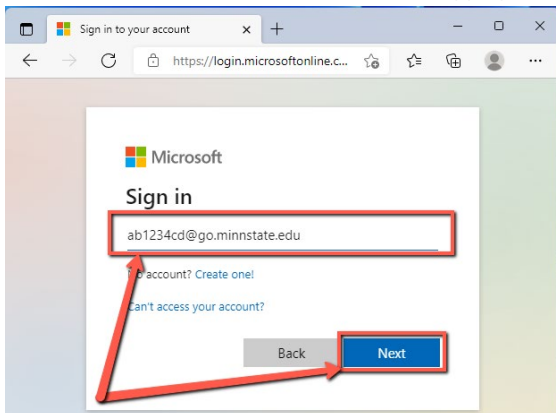

2. Navigate to the download location and run the read&write executable to begin the install.
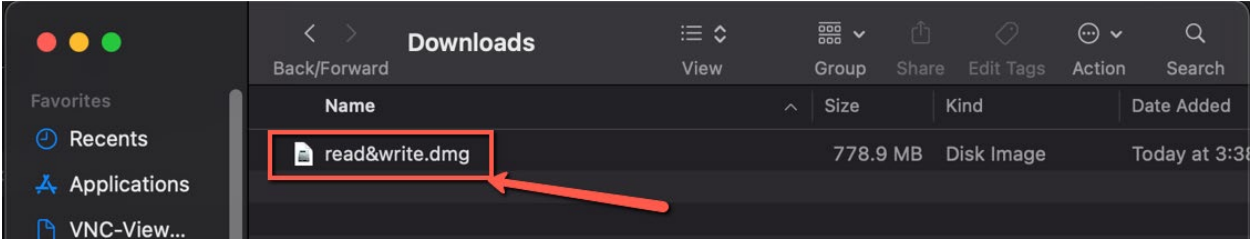

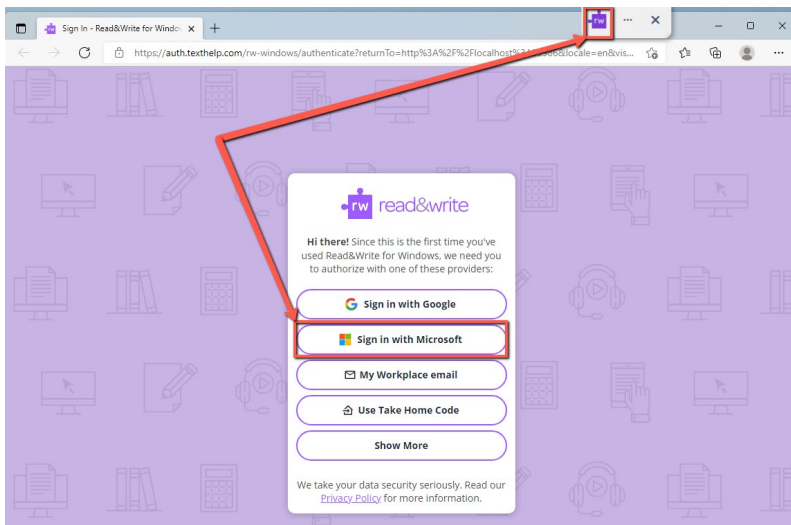

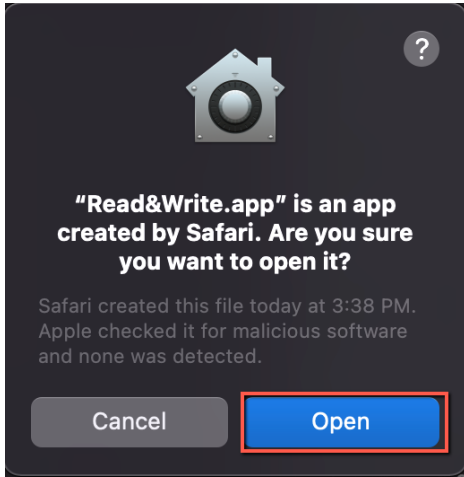

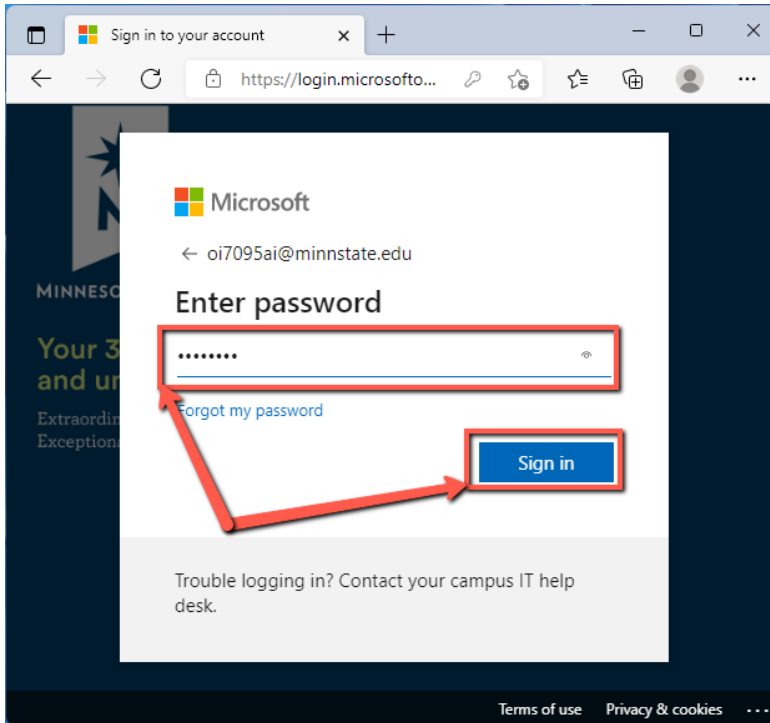

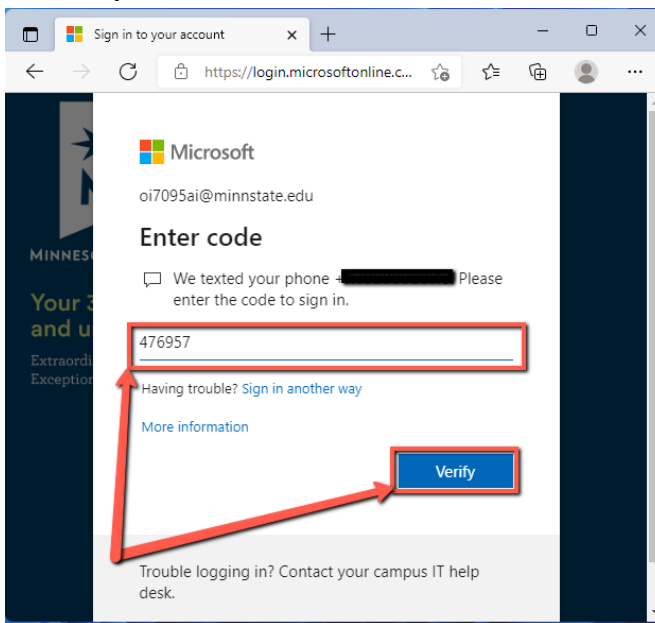

6. Students should enter their **\<starid\>@go.minnstate.edu** whereas faculty/staff will enter **\<starid\>@minnstate.edu** (the same as logging into Office 365) then click **Next**.

7. Enter your StarID password, then click **Sign in**.

8. If prompted, enter the multifactor authentication code from your authenticator app or text message, then click **Verify**.

9. Read&Write software is now ready for use.
