

READ&WRITE TAKE HOME INSTRUCTIONS

1. Open a web browser and navigate to <https://www.texthelp.com/products/read-and-write-education/> and click **Try Read&Write** then select **Windows US EN** in order to download the latest version of the installer.

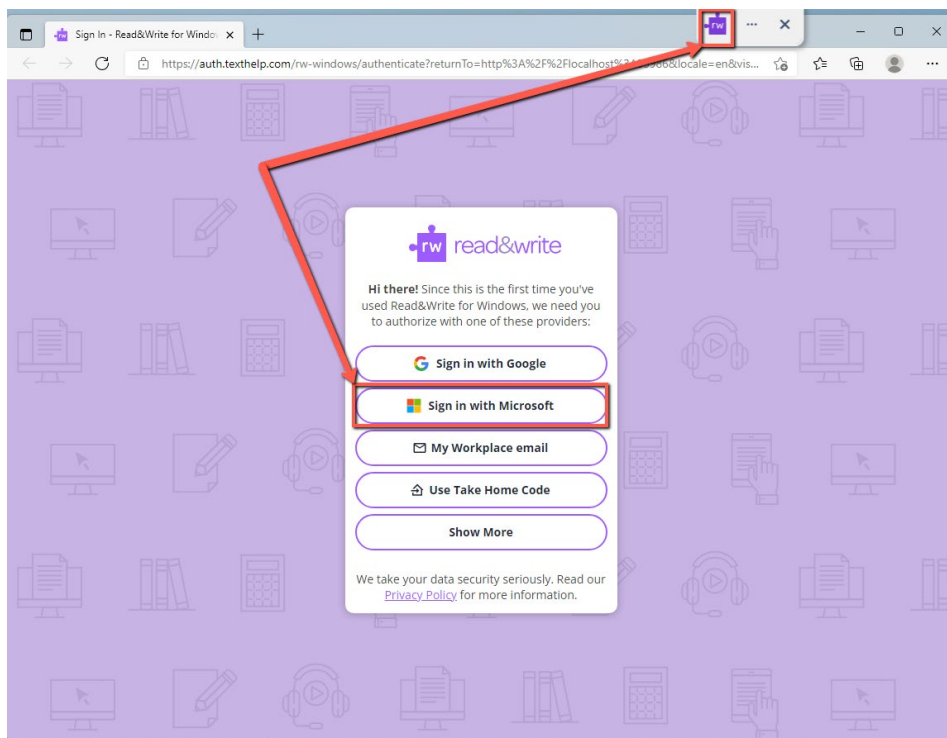

2. Navigate to the download location and run the read&write executable to begin the install.

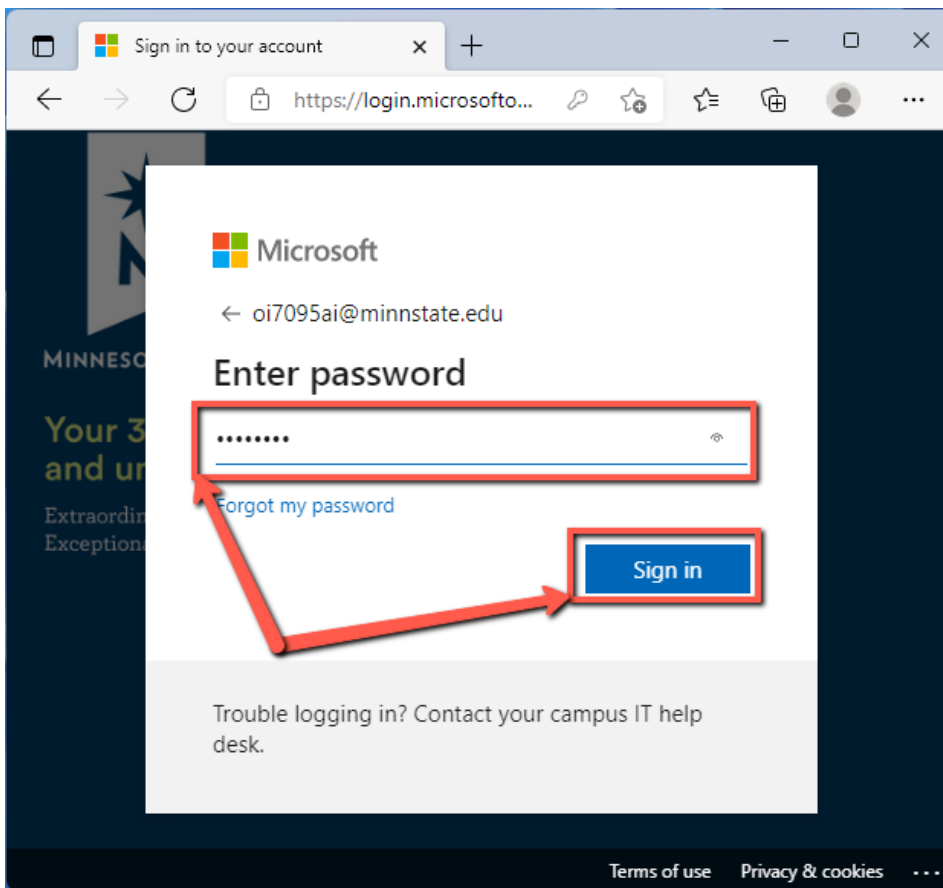

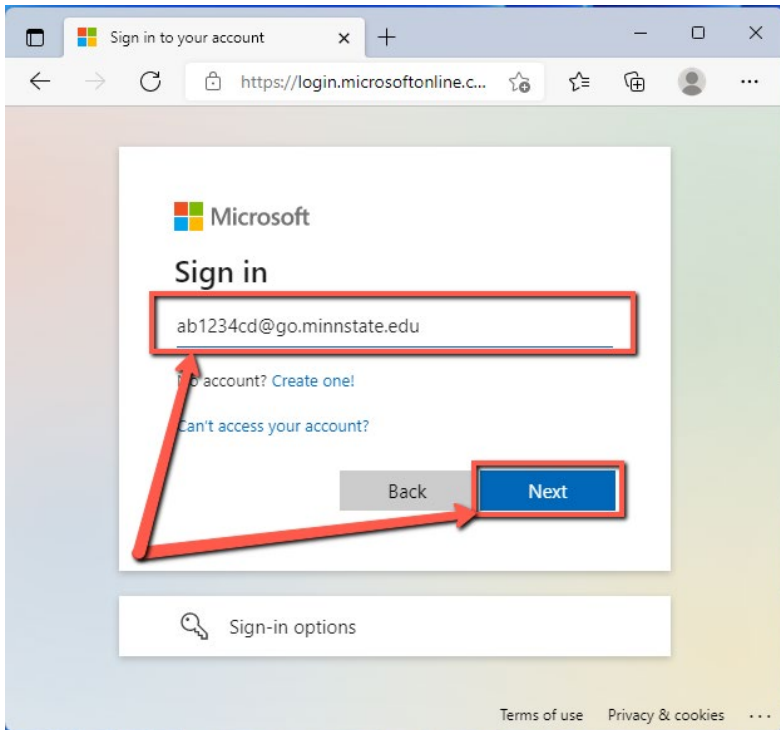

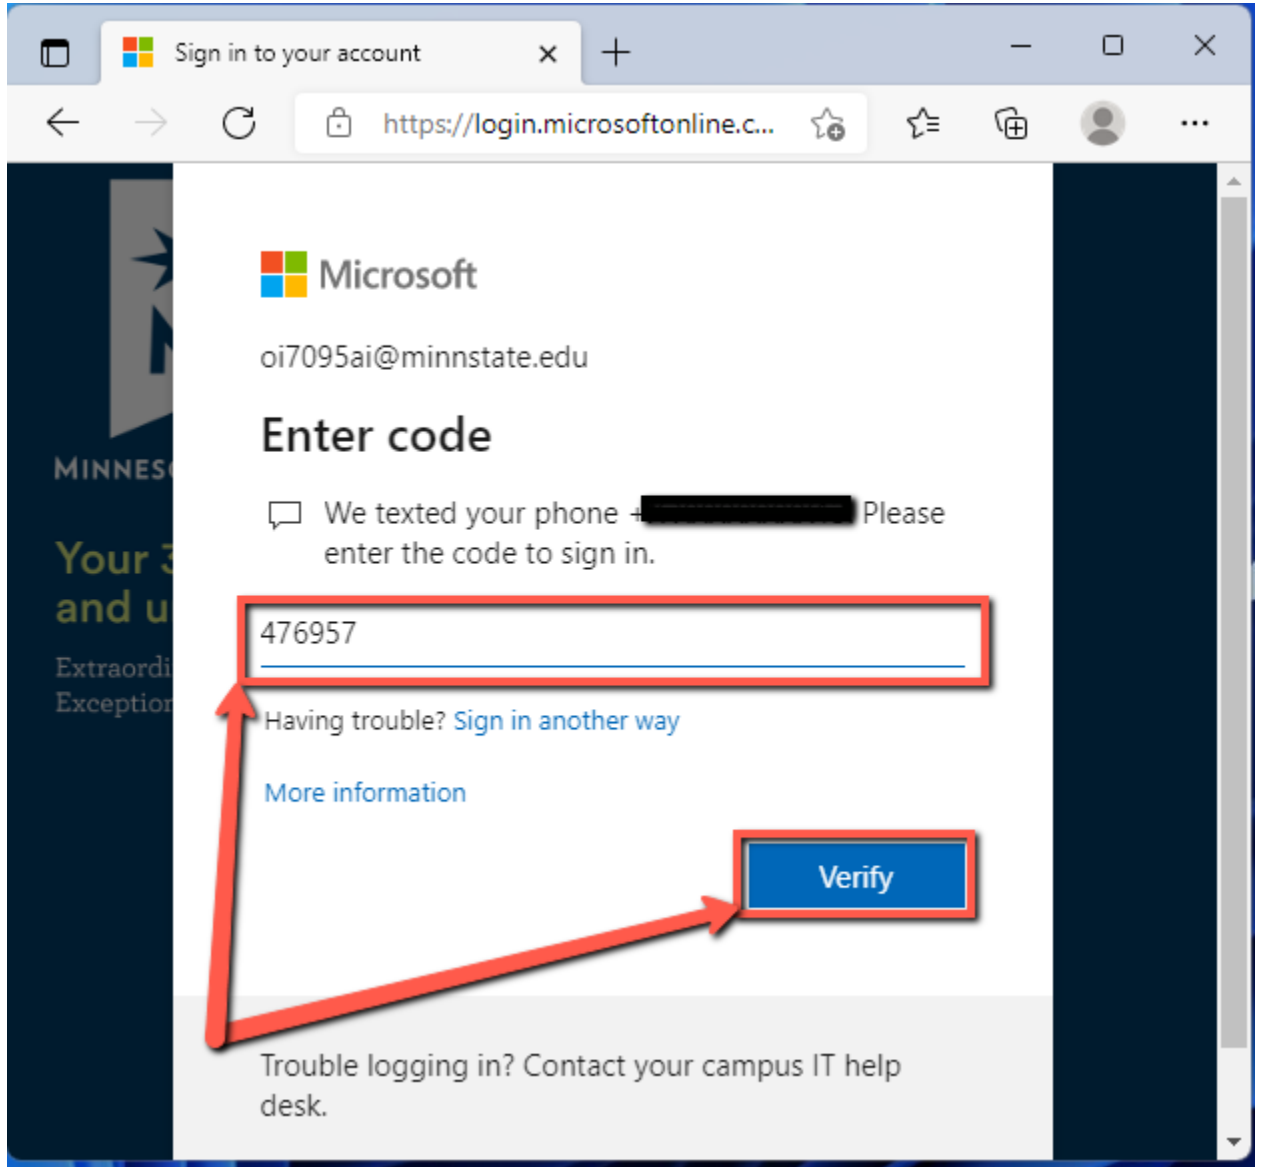

5. Once the install completes, double-click the desktop shortcut to open Read&Write

7. Students should enter their <stardid>@go.minnstate.edu whereas faculty/staff will enter <stardid>@minnstate.edu (the same as logging into Office 365) then click **Next**.

10. Read&Write software is now ready for use.
