Majors and Minors

The Commencement Program lists all majors and minors which have been completed. If a student has completed two majors, the majors are separated by a comma (English, History); if a student has completed a major and a minor, the major and minor are separated by a semi-colon (English; History). If a student has earned a minor via the Tri-College University, the home institution is listed after the minor and placed in parentheses, i.e. French (Concordia).

Graduate Candidates

Candidates receiving graduate degrees are listed in the program. The listing also contains the title of their thesis or project and their faculty advisor. Each candidate that participates in the ceremony is wearing the appropriate master's or specialist hood. The color of the velvet edging on the hood represents the academic discipline and the silk lining (red and white) represents Minnesota State University Moorhead.

Academic Honors

Students who complete at least 45 credits at MSU Moorhead as candidates for baccalaureate degrees may graduate with the following honors:

CUM LAUDE	representing a cumulative grade point average of 3.40 or higher
MAGNA CUM LAUDE	representing a cumulative grade point average of 3.60 or higher
SUMMA CUM LAUDE	representing a cumulative grade point average of 3.80 or higher

The graduates who have earned these honors will have the achievement listed on their academic transcripts. The CUM LAUDE graduates wear white honor cords. The MAGNA CUM LAUDE graduates wear red honor cords. The SUMMA CUM LAUDE graduates wear red and white honor cords.

Academic Attire

The caps and gowns worn at formal academic events in American colleges are the direct descendants of the everyday costumes worn in the universities of Medieval England when each school had its peculiar dress so that an Oxford student could be distinguished from a Cambridge student. Because of the tremendous growth of American colleges, and the confusion that would result if each were to adopt a distinctive costume, the Inter-collegiate Bureau of Academic Costume was organized. The Bureau has established a uniform code that over 700 institutions have adopted.

There are three types of gowns and three types of hoods for bachelors, masters, and doctors. The bachelors gown has a long pointed sleeve, whereas the masters gown has a long closed sleeve, square at the end. The doctors gown is characterized by a voluminous bell-shaped sleeve with three velvet bars.

The hoods for all degrees are lined with silk in the official academic color or colors of the institution conferring the degree and have an edging or trim of velvet, the color of which indicates the academic discipline or faculty to which the degree pertains. The bachelors hood is not worn by candidates for the baccalaureate degree but only by those upon whom this degree has been previously conferred. The masters hood is considerably longer, has a wider velvet edging, and exposes more of the lining. The doctors hood has wide panels at the side. It has the widest velvet edging, greatest length, and fullest exposure of the lining.

The black mortarboard cap with tassel is worn with each type of gown. Those holding a doctor’s degree are privileged to wear a gold tassel. Masters and bachelors wear tassels that are either black or of the color appropriate to the academic discipline in which they are graduating.

Some of the colors which may be observed at this commencement and which symbolize various faculties are as follows:

Arts and Humanities	White
Business Administration	Light Brown
Education	Light Blue
Fine Arts	Dark Brown
Law	Purple
Music.....	Pink
Nursing	Apricot
Philosophy.....	Dark Blue
Public Administration	Peacock Blue
Science	Golden Yellow
Social Work.....	Citron

University Seal

Minnesota State University Moorhead's Seal represents its history, mission, and distinctive characteristics. It is reserved for official and ceremonial use. In the University's early history, Old Main was the largest and most impressive building in the area. A fire in 1930 destroyed most of the school's main building, except the arches of Old Main. Those arches became a significant symbol of the school's ability to survive and were incorporated into the University Seal.

University Mace

The University President or his designee carries this staff in ceremonial processions to symbolize the University's authority. Lyle Laske, Professor of Art Emeritus, crafted the staff for the University. The staff is sculpted from Brazilian rosewood, rubbed and polished to a deep luster. Its tips are cast in bronze and gold plated. The top piece on the staff, also in rosewood, is shaped in a universal form that symbolizes the medieval northern world. The staff rests in a base that is a solid, circular piece of rosewood. The staff was presented to President Roland Dille in 1978.

Presidential Medallion

The Presidential Medallion serves as a sign of the educational mission of Minnesota State University Moorhead. The President's commitment to the University's purposes is renewed in each solemn academic function, when it is appropriate to wear the medallion and be recharged by its symbols.

College Marshals

The College Marshals are senior faculty representing their colleges.
