Minnesota State University Moorhead Public Safety
Timely Warning March 29, 2012

This warning is provided to inform and to educate the campus community of reported crimes that have happened on or near our campus and to comply with the Federal requirements of the Clery Act.

The MSUM Public Safety Department was notified that the Moorhead Police are investigating a report of an armed robbery and assault that allegedly occurred on Wednesday March 28th, 2012. The information received is that a group of up to four males entered a residence at 920 17th St. S., assaulted one of the residence and stole some items, it is reported that one of the suspects had a shotgun in his possession. At this time we have no further descriptions of the suspects or have reason to believe they are still in the area. I am currently inquiring in to the reason why we weren’t notified last night of this incident.

At 1050 this morning, March 29th in the same general area two 13-14 year old males were caught breaking in to a home through a window, one of them escaped. The only description we have is a 13-14 year old black male wearing a white hooded sweatshirt and jeans. The description does not fit that of the people involved in the incident last night. There is no report of any weapons being involved in this morning’s incident. Anyone having information regarding this incident or any other criminal act in Moorhead, MN is encouraged to contact the Moorhead Police Department non-emergency number at 701-451-7660.

If for any reason you feel uncomfortable walking anywhere on our campus, contact the Public Safety office at 218-477-2449 or 2449 from a campus phone and we will provide a security escort 24 hours a day.

Greg Lemke
Director of MSUM Public Safety
