INTERNATIONAL RELATIONS BIBLIOGRAPHY

I. The Meaning of International Relations

The meaning of international relations is constructed by the international community. It is related to the values and norms of that community and to the context in which it finds itself.

A. The 20th Century

B. The Cold War

C. Post-Cold War

II. International Relations Theory

Collective cognition of international relations takes the form of different theoretical traditions, schools, or epistemic communities.

A. International Relations Theory

Ferguson, Y. H. *The Elusive Quest: Theory and International Politics.*

Viotti, P. R., and M. V. Kauppi. 1999. *International Relations Theory: Realism, Pluralism, Globalism, and Beyond.* Allyn and Bacon.
