2017-2018 Upper Class Scholarship Application

Only one application is required to be considered for all Upper Class scholarships. However, only one Upper Class scholarship will be awarded.

The Upper Class scholarships are made possible through donations made to the MSU Moorhead Foundation by alumni and friends of the University. This is a one year competitive scholarship and awards are made solely on the application materials received with this application and review of the applicant's transcript. When determining who is selected for a scholarship and the amount awarded, consideration is given to:

- Quality of the essay submitted in regard to both content and grammar (be sure to directly address the essay topic);
Strength of the recommendation provided;
GPA of the student with greater weighting given to students with higher GPAs;
Number of MSUM credits earned (greater weighting of the application may be given to students with more credits);
Financial need of the student may be a factor for some scholarships.

Students must meet the following criteria:

- Applicants must be seeking their first undergraduate degree.
Applicants must be a currently enrolled full time student at MSU Moorhead who has completed at least 12 MSU Moorhead credits by the end of the current fall semester and not be subject to academic or financial aid suspension.
Applicants must be enrolled for a minimum of 12 MSUM credit hours per semester to receive this scholarship.
Must not be graduating Summer 2017 or before (Scholarships are for Fall 2017 and/or Spring 2018).

Required Documents (your application will not be considered if all documents are not submitted):

- Type a 200-300 word essay on, "Explain the importance of your major in today's society". Your essay must include a main point, provide illustrative examples and a clear explanation.
One recommendation form (form is on the financial aid website: www.mnstate.edu/financialaid/forms.aspx). You should choose an evaluator (faculty/staff/direct supervisor) who will have sufficient time to fill out the recommendation form and who knows you well enough to evaluate you. DO NOT submit letters of recommendation – the recommendation form on the website MUST be used. Submit only one recommendation form.
