**Registering for Classes**

Course registration requires a **StarID** and **password**.

If you have not yet set up your StarID:
- visit [https://starid.mnscu.edu](https://starid.mnscu.edu)
- click "activate your StarID."

*See reverse side for more StarID information*

1. Open a web browser; navigate to [mnstate.edu](http://mnstate.edu)
2. Click **Current Students** on the right hand navigation column
3. Click **eServices**
4. Click **Login**
5. Enter your **StarID** number
6. Enter your **StarID** password
7. Click **Courses & Registration**
8. Click **Search for a Course**
9. Select a **Subject** or enter a **Course Number**
10. For more search options, click **Expand/Collapse for Advanced Search**
11. Click on a course title for details
12. Click to add course to **Wish List**
13. Repeat steps 8-12 to add additional courses
14. Click **Review My Plan** to edit Wish List
15. Click **View/Modify Schedule** to edit schedule

**Email Setup Verification**

To verify you have access to your email account, use your StarID credentials as your **User name** and **Password**.

1. Navigate to [mnstate.edu](http://mnstate.edu),
2. Click **Current Students**
3. Click **Email**
4. Enter your **StarID** and **Password**.

**E2Campus Emergency Notification System**

MSUM’s emergency notification system E2Campus allows the campus community a choice to receive emergency text alerts (cell phone), emails, and telephone calls to communicate emergency information quickly, regardless of your location.

You must register to receive alerts. To register:
1. From [mnstate.edu](http://mnstate.edu), click **Current Students**
2. Scroll down to **Safety & Security**, click **E2Campus**
