ACCUPLACER REVIEW COURSE

ACCUPLACER®//MyFoundationsLab® is designed to help students like you prepare for the ACCUPLACER placement tests. Being better prepared will help increase your scores, which can mean saving valuable financial aid dollars by taking fewer classes and finishing college sooner.

ACCUPLACER®//MyFoundationsLab® is available 24/7 from a Mac or PC computer and includes easy-to-use resources to help you succeed:

- A **personalized Learning Path** based on your diagnostic scores
- **Overviews, instruction, and tutorials** on topics where you need help
- **Interactive practice questions with step-by-step help** to work at your own pace
- **Instantly-graded Mastery Quizzes** to check your progress

Ready to get started? Contact the Academic Support Center at 218.477.2426 to schedule and complete an ACCUPLACER Diagnostics test. Once you have the results, you will need

1. a valid email address.
2. a method of payment which may include a major credit card or PayPal.
3. your personal Locator Code from your diagnostic test Individual Score Report (ISR).
4. your Course ID which is also listed on the diagnostic test results page.

Go to [http://www.accumfl.com](http://www.accumfl.com)

1. Select Student in the Register box. Follow the on-screen prompts to register and enroll.
2. Select ‘No’ when asked if you have an access code. You will need to purchase an access code using a major credit card or PayPal.
3. Accept the license agreement.
4. Select ‘No’ when asked if you have a Pearson Education account unless you have used a MyLab product previously.
5. Follow the remaining steps for registration entering 56563 when asked for the school zip code and select MSUM – Moorhead.
6. Now that you have purchased the access code, enroll in the course. Your Individual Score Report (ISR) from the diagnostic test results, includes **Course ID** and **Locator Code**.

Enter the course ID. Verify that ‘ACCUPLACER Review Course – MSU Moorhead’ is correct by clicking on Enroll, and enter you Locator Code.
Accessing the Review Course

1. Click on Log In Now to go to your course.
   a. To log in in the future go to http://www.accumfl.com
   b. Click on Sign In and enter your log in information.

2. Enter your personal Locator code which is located at the bottom of your diagnostic test results page. An individualized program will be created for you.

3. Start by clicking on the links under Announcements on the opening page. The math segment in the ‘Take a Tour’ video will help you get started and the ‘Browser Check’ will verify that you have the needed plug-ins.

4. To begin reviewing, click on the Math Learning Path.

5. Select a module to study. It is best to start with the first module and progress through the topics in the module in the order that they appear.
