15. You will receive a notification whether updates are available. Click **OK**.

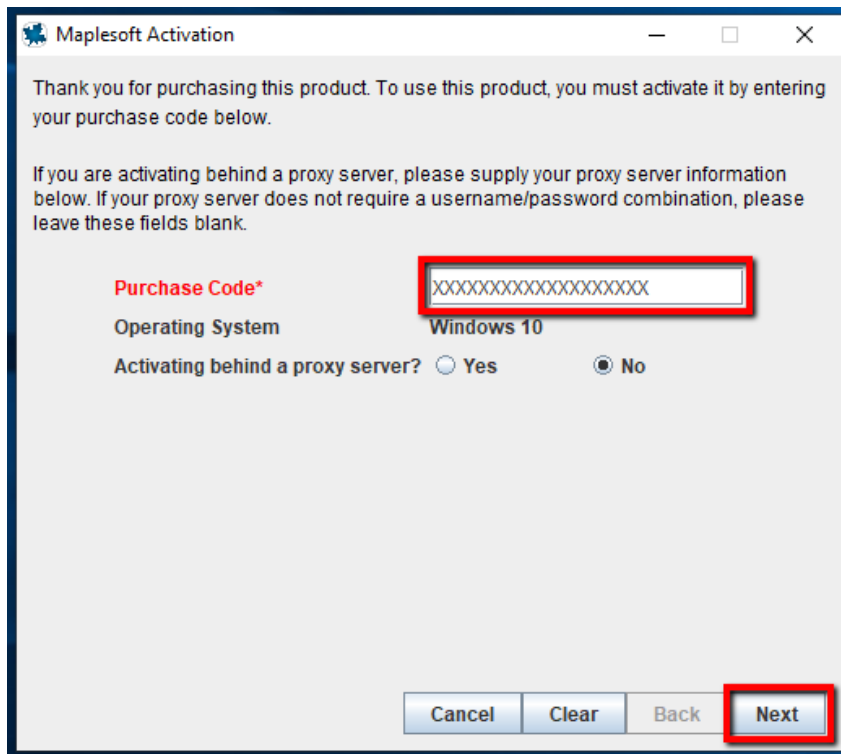

16. Click **Next >**

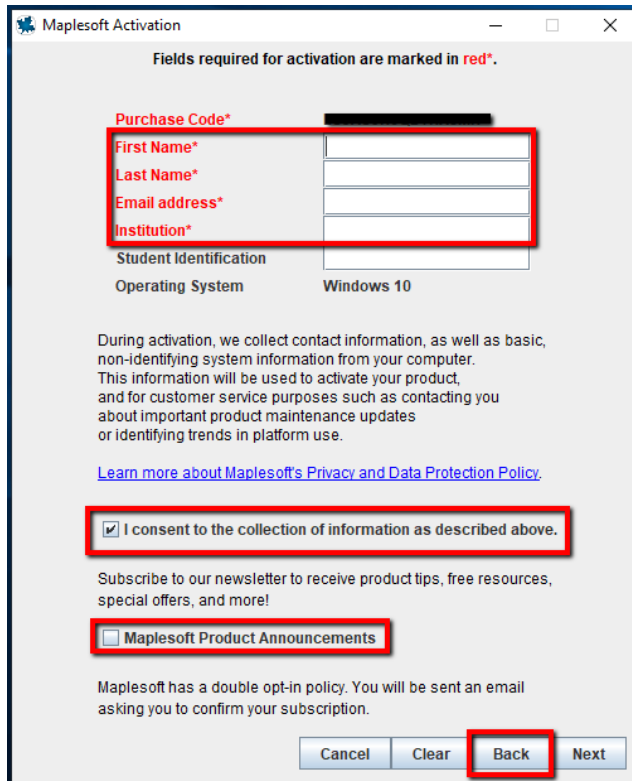

17. Wait for the install to finish
18. Verify that you're still connected to the internet. With "Activate Maple 2019 now" selected, click **Finish**.

19. Enter the Purchase code that you received in your MSUM email and click **Next >**

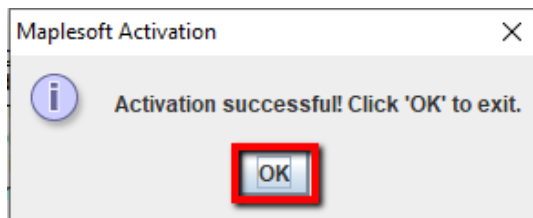

20. Fill out information in the required fields (marked in red). Uncheck the box near “Maplesoft Product Announcements”. Check the box near “I consent to the collection of information as described above” then Click **Next**.

The image shows a 'Maplesoft Activation' dialog box. At the top, it says 'Fields required for activation are marked in red*'. Below this, there are several input fields: 'Purchase Code*' (with a red box around it), 'First Name*', 'Last Name*', 'Email address*', and 'Institution*' (all with red boxes around them). There are also fields for 'Student Identification' and 'Operating System' (which is set to 'Windows 10'). A paragraph of text explains that during activation, contact and system information is collected. Below this is a link: 'Learn more about Maplesoft's Privacy and Data Protection Policy.'. There is a checkbox labeled 'I consent to the collection of information as described above.' which is checked and has a red box around it. Below that is a checkbox labeled 'Maplesoft Product Announcements' which is unchecked and has a red box around it. At the bottom, there are four buttons: 'Cancel', 'Clear', 'Back', and 'Next'. The 'Back' button is highlighted with a red box.

21. Click **OK**

Maple 2019 is now ready to use.
