iPad Instructions for iOS 8 - Wireless Setup

To setup MSUM wireless network on your iPad, follow these instructions

1. Tap on Settings on your home screen

2. Tap on ‘Wi-Fi’, and then choose the wireless network named ‘DragonConnect’.

   **Note:** To connect to this network you must be on the MSUM campus.
3. Enter your StarID for the username and StarID password. Then tap on ‘Join’.

4. You will be asked to accept the certificate. Tap on ‘Accept’.
5. Now you will be connected to MSUM’s wireless network.

6. You can exit from settings by clicking on the ‘Home’ button.
