**Topic: Course Offering Information**

In the Course Offering Information page, you are able to change the name of the course, select if it is active, set a start and end date, and more. This page is located under **COURSE ADMIN** and **Course Offering Information** in the left navigation.

The course offering name is the name you and the users will see.

By changing the **Start and End Date** you can control when users will see or go into the course.
