The **Add Existing Activities** button allows you to add chats, checklists, assignments, etc. to your D2L Brightspace course content.

**To Add Activities:**

1. Go into your course content and select the module to which you wish to add an activity

2. Select **Existing Activities** and click the desired item you wish to add.
3. An insert Quicklink window will open. Select what you want to insert.

*Note:* It automatically selects what you chose in the content window.

4. Depending on which item you choose, you have other options.
5. Once you selected what you want to link to your content, click **Create and Insert**.

For more information on activity items, look for the activity-specific D2L Brightspace tutorials.
