

**Topic: New Survey**

The **New Survey** option in the **Content** area allows you to add a survey under specific modules. This could make it much easier for your students to take surveys. If the survey is right within the module in the content, they won’t have to go searching for it.

**Step 1:**

Once you have logged into your D2L Brightspace course, click **Content** under **Materials** in the navigation bar.
