Topic: Links

The Links tool allows you to share links to your course. The Students can access the links via MATERIALS menu. Click on EDIT COURSE in the main navigation of your course and click Links in the left column.

You can share any kind of link to any webpage on your course.

Creating New Links

To create a new link for your course, click New Link.

In the New Link page, you get to set what category the link is in, the title, the URL, and description.
For More Information
