Topic: Discussion Settings

The settings in the discussion area allow you to control the view of your discussion messages.

To access the settings area:

Log in to D2L Brightspace, Click on your course name

- From the COMMUNICATION tab, go into the Discussions topic.
- Click Settings.

Display Settings:

It lets you choose to display:

- Personal Settings.
- Org Unit Settings
- Grid View Settings
Default Message List View:

It lets you choose one of the displays by default:

- Threaded view
- Un-Threaded view.

Message List Style:

It lets you choose the list style for your messages:

- Grid Style.
- Reading Style.

Message Fields to Display:

It lets you choose to display or hide the Message ID.

Character Limits:

It limits the number of characters of the subject to display in the Message List.

Reply Settings:

It lets you choose to include the original message text in reply.
