Topic: Grades Overview

The Grades tool can be used to view your course grades.

It also allows you to view the comments, feedback and class averages.

To access Grades:

- Go into your course.
- Click ASSESSMENTS.
- Click Grades.

View Grades:

You can view your grades by going into the grades section.

- When your grades are posted, they appear here along with the Individual comments.
• Items in D2L Brightspace can be automatically linked to the gradebook.

• Therefore, immediately upon finishing a quiz, or shortly after completing an assignment, a grade may be available.

• In addition, instructors can manually add grades for offline and essay type online assignments.

• It is a good idea to check your grades frequently to be sure you are staying on task and completing assignments appropriately and efficiently.

• You can print your grades by selecting the "Print" icon in the upper right corner
